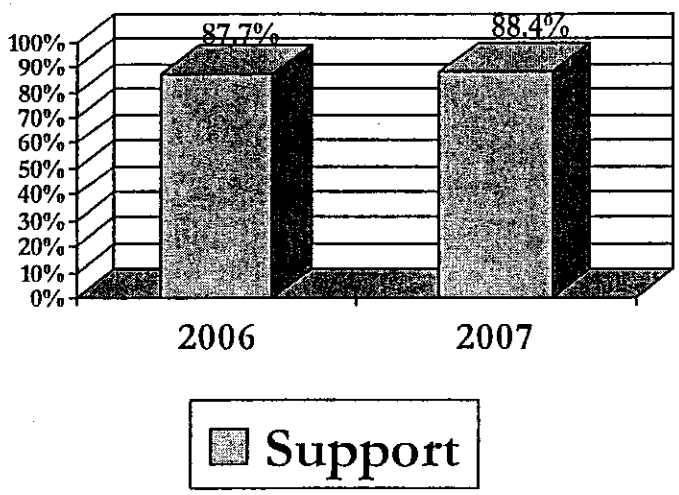
Mesa Residents' Support the City's Photo Enforcement Traffic Safety Program (Survey Conducted by TCI for ATS)

Do you support or oppose using red light cameras at Mesa's most dangerous intersections against red light running, and to enforce the law against those drivers?



- 88% support intersection speed photo enforcement.
- 83% support photo radar mobile speed enforcement.
- Support for red light camera program increased from 2006 to 2007.
- 85% believe red light running is a problem in Mesa.
- 87% believe speeding is a problem in Mesa.

Based on telephonic surveys conducted in April 2006 and July 2007, random sampling of 409 Mesa residents, 4.5% margin of error
