FIRE CHIEF

JOB DESCRIPTION

Classification Responsibilities: The Fire Chief provides administrative direction and leadership for all Mesa Fire and Medical functions, operations, and personnel through the supervision of staff and a review of their activities. Responsibilities include: reviewing the general operation of the department to determine efficiency; providing direction on major projects or problem areas; planning for the future; developing and implementing policies and procedures; and providing policy guidance. In addition, the Fire Chief is responsible, through study and consultation with City officials, for developing recommendations for the protection of life and property in the City. This class is also responsible for performing other related duties as required.

Distinguishing Features: This classification has been designated as a non-classified, non-merit system, at-will position. The Fire Chief is appointed by the City Council upon the recommendation of the City Manager. This employee receives general supervision from the City Manager, who reviews work on the basis of overall results achieved. The Fire Chief may consult with the City Manager on issues relating to policy and planning, but works independently in supervising the overall technical operations. This class is FLSA exempt-executive. This is a sworn position covered under the Public Safety Personnel Retirement System (PSRS): for retirement system information please visit www.psprs.com.
