

SURPLUS AND DISPOSAL COORDINATOR

JOB DESCRIPTION

Classification Responsibilities: A Surplus and Disposal Coordinator performs duties in the Materials and Supply section of the Business Services Department, including: receipt of surplus property from City departments; maintaining Access database of surplus property, including data entry of received items; preparation of appropriate documentation for transfer or disposal of surplus property; storage and inventory of surplus property; receipt of confiscated and unclaimed property and evidence from City of Mesa Police Department Property section. A major responsibility of this position is to ensure the integrity and a chain of custody of all seized property and evidence is maintained in accordance with state laws, City ordinances, and departmental policies and procedures pursuant to the Police property. Additional duties include: issuance and distribution of surplus back to City departments; preparation for sale of surplus property; selection of surplus to be sold in Online or vendor led auction; management of - Online accounts; manage the sale of surplus property from warehouse locations; planning and conducting City property from warehouse store; prepare surplus sale deposit form and take funds to Customer Service for deposit; maintain accurate accounting and filing of disposal paperwork. Computer-related work involves maintenance of section website listing departmental information and auction lists for public viewing; database conversions between different programs, and Internet sales using eBay and Public Surplus.

Distinguishing Features: A Surplus and Disposal Coordinator exercises independent judgment in the performance of assigned duties and possesses comprehensive knowledge of computerized materials management, inventory control, accounting systems, online sales, database design and maintenance. Significant latitude is given in carrying out surplus disposal assignments. General supervision is received from the Supplies Supervisor who reviews work through conferences, reports, and the evaluation of overall results achieved. This class is FLSA nonexempt.

QUALIFICATIONS

Employee Values: All employees of the City of Mesa are expected to uphold and exhibit the City's shared employee values of Knowledge, Respect, and Integrity.

Minimum Qualifications Required. Any combination of training, education, or experience equivalent to graduation from high school or GED. Considerable (3 - 5 years) experience in the operation of personal computers and experience involving bookkeeping or basic accounting procedures, eBay sales, inventory control, purchasing, or warehousing operations.

Special Requirements. Due to the value of property and/or evidence impounded, successful completion of a background investigation through the City of Mesa Police Department and the Arizona Department of Public Safety is required. Must possess a valid Arizona Driver's License by hire date. Forklift certification and straddle lift training must be obtained within 90 days of hire.

Substance Abuse Testing. None.

Preferred/Desirable Qualifications. Supplemental coursework in inventory control, computer science, and basic web page design along with good (1 - 3 years) experience in development and modification of websites is highly desirable.

ESSENTIAL FUNCTIONS

Communication: Communicates with management, internal and external customers, coworkers, and the general public. Produces written documents such as surplus reports, auction lists, store sale and various other reports to provide sales data and information to management. Communicates with Senior Supplies Specialist in direction of Supplies Specialists in assistance with storage, retrieval, and sales of surplus property. Coordinates sales, including arranging staff for store sales.
