All of the items on the agenda were reviewed among Council and staff and the following was noted:

Conflict of interest: None.

Items removed from the consent agenda: None.

Items removed from the agenda: 5-b and 5-c to be continued to the July 10, 2017 Regular Council meeting and items 7-a and 7-b to be continued to a future Regular Council meeting.

2-a. Hear a presentation, discuss and provide direction on the proposed Audit Plan for FY 2017/18.

Deputy City Auditor Tami Steadman displayed a Power Point presentation (**See Attachment 1**) related to the proposed Audit Plan for FY 2017/18.

Ms. Steadman displayed the current work in progress list which are in various phases of the internal audit process. (See Page 3 of Attachment 1)

Ms. Steadman highlighted the new audits that the department proposes to add to the audit plan. She noted that the first two audits are carry-overs from last year's audit plan due to a delay on a new contract. She stated that once the new contract is effective, auditors will review and verify

the effective monitoring process as well as the controls in that area. She noted that the areas of emphasis will be the procurement, development related revenues, and relationships with non-profit organizations that support specific City activities or venues. (See Page 4 of Attachment 1)

Ms. Steadman stated that there are seven follow-up reviews in addition to the off-duty program that is in progress. She added that on follow-up reviews the auditors do not follow up on the recommendation, but on the Department's response and their commitment to an action plan. (See Page 5 of Attachment 1)

Ms. Steadman highlighted the other activities auditors review throughout the year that do not fall under the other categories of an audit plan.

Discussion ensued relative to the Fraud and Ethics hotline and who to contact with concerns.

In response to a question posed by Vice Mayor Luna, Ms. Steadman responded that in the audit and findings report the auditor will note that the department has respectfully disagreed and the report is presented to the Council and City Management.

City Manager Christopher Brady explained that the Audit and Finance Committee receives the audit and finding reports and that the City Manager's office reviews the reports with the City Auditor. He noted that the audits and follow-ups are tracked in a database which assist in tracking each department in order to keep on schedule with the departments responses.

Mayor Giles pointed out that the City Auditor is independent and stated that the Fraud and Ethics hotline number is 1-866-820-7812.

Mayor Giles thanked staff for the presentation.
