Staff Recommendation: Approval with conditions

P&Z Board Recommendation: Approval with conditions (Vote: 5-1)

For continuance to the December 10, 2018 City Council meeting.

Councilmember Freeman indicated he will be voting to deny the applicants request for a Council Use Permit to allow for a social service facility to be located at 860 North Center Street. He stated the opinion that a detoxification center would “alter the characteristic” of a neighborhood from residential to a medical facility. He added a medical treatment facility, similar to a clinic or hospital, is not allowed in this type of zoning district. He commented that this type of treatment center would have a “detrimental impact” on the adjacent and surrounding residential neighborhoods.

Jerry Earles, a Mesa resident, advised the facility was built in 1996 as a senior assisted housing facility, in 2001 the facility was purchased and changed to a women in recovery facility, and in 2017 the facility became a drug and alcohol rehabilitation facility. He reported the neighborhood was unaware of the changes in 2001 and 2017 and expressed frustration with the lack of

community involvement during the transition. He stated the opinion that a substance abuse detoxification and treatment center will bring home values down and additional crime to the neighborhood. He pointed out a petition has received over 50 signatures and he has found “zero resistance” from residents living in the neighborhood to sign the petition. He stated an understanding for the need of this type of facility, but believes it is not suited for a residential neighborhood. He implored Council to consider the wishes of the residents in the community.

William Gosney, a Mesa resident, expressed concern for the safety of the children that use a crosswalk in close proximity to the proposed substance abuse detoxification and treatment center. He explained security has not been proposed or addressed for the facility and children will be in the area when individuals seeking treatment are coming and going from the facility.

Susan Lee, a Mesa resident, stated that a treatment facility being in her neighborhood “terrifies her” and she will consider moving should the facility receive the requested Council Use Permit.

Mayor Giles acknowledged that speaker cards were received from the following individuals in opposition to the request for a Council Use Permit that would allow for an in-patient substance abuse detoxification and treatment center located at 860 North Center Street but did not wish to speak:

Nancy Cohen:	A Mesa resident
Suzie Earles:	A Mesa resident
Diana Gerut:	A Mesa resident
Ed Gerut:	A Mesa resident
Gloria Hilts:	A Mesa resident
Jeff Hilts:	A Mesa resident
W. Dea Montague:	A Mesa resident
Kris Tibsherany:	A Mesa resident

It was moved by Councilmember Freeman, seconded by Vice Mayor Luna, that action taken on the ordinance be continued to the December 10, 2018 City Council Meeting.

Upon tabulation of votes, it showed:

AYES – Giles-Luna-Freeman-Heredia-Thompson-Whittaker
NAYS – None
ABSENT – Glover

Mayor Giles declared the motion carried unanimously by those present.
