

EMPLOYEE BENEFITS ADVISORY COMMITTEE

October 31, 2011

2:30 p.m.

Agenda

Appeal #1: Request for coverage of a non-FDA approved treatment previously approved by EBAC (continued from September 29, 2011 meeting)

Treatment was previously approved by EBAC. Since that approval, medical management team has informed Benefits that the treatment is not approved by FDA.

Appeal #2: Request for coverage of a non-FDA approved treatment

Member is requesting coverage of a non-FDA approved treatment.

Appeal #3: Request for coverage of an out-of-network service at in-network benefit

Member is requesting that an out-of-network service performed at the request of an in-network provider without the member's knowledge be covered at in-network rates.

Appeal #4: Request for coverage of an out-of-network service at in-network benefit

Member is requesting that an out-of-network service performed at the request of an in-network provider without the member's knowledge be covered at in-network rates.

Appeal #5: Request for coverage of an out-of-network service at in-network benefit

Member made an error in searching the on line BCBS provider directory and subsequently went to an out-of-network provider.
