

## **FIRE COMMITTEE**

**Mike Whalen, Chairperson**  
**Rex Griswold                      Janie Thom**

### **AGENDA**

Monday, September 20, 2004  
Lower Level Conference Room – Council Chambers  
3:00 P.M.

1. Discuss and consider several issues associated with the Mesa Fire Code:
  - a. A proposed amendment to exempting new B Occupancies less than 5,000 square feet from the automatic sprinkler requirement.
  - b. A proposed amendment requiring new and existing buildings five floors or more above grade or structures two floors under grade to install a breathing air replacement system.
  - c. Provide direction regarding the implementation of a fee structure for events such as carnivals, fireworks, burn permits, etc.
2. Hear an update on Fire Department manpower and station location deployment issues.
3. Hear an update on the implementation of a new staffing review and forecast system.
