

LIFEGUARD (SWIM LESSON INSTRUCTOR)

JOB DESCRIPTION

Classification Responsibilities: A Lifeguard (Swim Lesson Instructor) is a service/maintenance classification working in the Aquatics Recreation Programming section of the Parks, Recreation and Community Facilities Department. Primary duties involve: being proficient in and knowledgeable of the practices of instructing all age groups in swimming and or diving skills, which are organized according to development and ability; possessing the ability to plan, lead, and execute learning activities for class groups; and monitoring activities at a City-operated swimming pool to prevent accidents and to rescue swimmers in distress. A Lifeguard (Swim Lesson Instructor) cautions swimmers regarding unsafe practices and safety hazards, maintains order in the pool and adjoining areas, and administers first aid. Other duties include: completing reports associated with accidents, incidents, and lessons; chemical/clarity checks, facility cleaning duties; removing debris from the pool and adjoining areas; and providing general pool information to patrons. This class performs related duties as assigned.

Distinguishing Features: This classification has been designated as a non-classified, non-merit system, at-will position. Work is reviewed for results by observation. Seasonal employees in this class normally work full-time seasonal (May through September) schedules. This class is supervised by the Pool Manager at the work site and a Recreation Coordinator. Employees may progress to this class by noncompetitive promotion from a Lifeguard class upon meeting the specific criteria-based promotion requirements of performance and certification. This class is FLSA exempt-recreational establishment (seasonal classification). This class is FLSA nonexempt (part-time classification only).
