

POOL MANAGER

JOB DESCRIPTION

Classification Responsibilities: A Pool Manager is responsible for managing the operation of one of the City swimming pool facilities and associated aquatics programs. Employees in this class supervise and evaluate staff in the pool operation during the aquatics season. Incumbents determine staff necessary for the supervision of pool activities, including preparing work schedules and assigning personnel to duty stations, observing pool attendance, adding or shifting Lifeguards to ensure proper coverage, and overseeing and monitoring timekeeping. Work involves replenishing supplies as needed, directing or conducting in-service training activities, checking pool water for proper temperature and purity, and making or requesting changes in chemical additives. Monitoring the performance of staff engaged in lifeguarding and giving swimming lessons is an important aspect of the work, as incumbents are expected to take corrective action in dealing with unacceptable practices. Duties also involve: teaching courses in Lifeguard training and water safety instruction; training volunteers; maintaining records; preparing reports on pool activities and operation; directing the cleaning, general operation, and maintenance of pool facilities; implementing special events and ensuring proper customer service. Employees also provide input for consideration of changes or modifications in policies, procedures, programs, and solutions to problems involving municipal pools. This class performs related duties as required.

Distinguishing Features: This classification has been designated as a non-classified, non-merit system, at-will position. Employees in this seasonal classification normally work full-time seasonal (April through August) schedules. Incumbent's work under the general supervision of a Recreation Coordinator, who reviews work through meetings, reports, and periodic visits to the work site. This class is FLSA exempt-recreational establishment (seasonal classification). This class is FLSA nonexempt (part-time classification).

QUALIFICATIONS

Employee Values: All employees of the City of Mesa are expected to uphold and exhibit the City's shared employee values of Knowledge, Respect, and Integrity.

Minimum Qualifications Required. Any combination of training, education, and experience equivalent to two years of college-level coursework, including or supplemented by courses in swimming and lifesaving. Considerable (3 - 5 seasons) experience as a lifeguard and swimming instructor. Good (1 - 3 seasons) experience in directing activities at public swimming pools. Valid Lifeguard Training (LGT) Certification, Cardiopulmonary Resuscitation (CPR) for the Professional Rescuer Certification, and a Water Safety Instructor (WSI) and/or Starfish Swim Instructor (SSI) Certificate.

Special Requirement. Must possess a valid Class D Arizona Driver's License by hire or promotion date (*by assignment*).
