

CONTAINER REPAIR WORKER

JOB DESCRIPTION

Classification Responsibilities: A Container Repair Worker performs a variety of semiskilled tasks involved in maintaining and repairing the City's steel refuse containers and other refuse equipment. Employees in this class may work in close proximity to power equipment. Picks up and delivers refuse containers as needed. This class performs related duties as required.

Distinguishing Features: This classification requires skills necessary to perform a wide variety of semiskilled tasks, such as welding, painting, and may occasionally perform lead worker assignments. This position may be called out for emergency repairs, and incumbents must be willing to work overtime as required. This class is FLSA nonexempt.

QUALIFICATIONS

Employee Values: All employees of the City of Mesa are expected to uphold and exhibit the City's shared employee values of Knowledge, Respect, and Integrity.

Minimum Qualifications Required. Any combination of training, education, and experience equivalent to some (6 months - 1 year) container repair or maintenance work (example: welding or painting). One-year welding experience (welding certification may substitute for required experience).

Special Requirements. Must possess a valid Arizona Class A Commercial Driver's License (CDL) or Commercial Learner's Permit (CLP) by hire date. CLP holders must successfully complete the City's Entry Level Driver (ELD) training program, the Third Party Examiner (TPE) administered skills (driving) test, and obtain a valid Arizona Class A CDL within 150 days of hire or promotion date. Must meet the qualifications to wear a tight fitting respirator by passing a medical evaluation in accordance with Code of Federal Regulations (CFR) 1910.134 by hire or promotion date and must maintain certification.

Substance Abuse Testing. This class is subject to Department of Transportation (DOT) Federal Motor Carrier Safety Administration (FMCSA) drug and alcohol testing as outlined in 49 CFR Part 382.

Preferred/Desirable Qualifications. Graduation from high school or GED preferred.

ESSENTIAL FUNCTIONS

Communication: Gives instructions on the proper methods of making repairs on containers and other equipment. Prepares daily work sheets for work assignments.

Manual/Physical: Operates all types of refuse equipment (example: front loader, roll off, rear loader, forklift, bin truck, automated side-loader, bobcat, etc.) used within the division (some of which require a valid Arizona CDL) to transport or dump materials. Operates power-driven equipment such as: drill presses, welders, plasma cutter, high-pressure hot water washers, paint rigs, grinders, sanders, etc. Operates a mig and arc welder or oxyacetylene torch in making repairs.
