

COMMUNITY AND CULTURAL DEVELOPMENT COMMITTEE

February 6, 2013

The Community and Cultural Development Committee of the City of Mesa met in the lower level meeting room of the Council Chambers, 57 East 1st Street, on February 6, 2013 at 7:30 a.m.

COMMITTEE PRESENT

Dave Richins, Chairman
Dennis Kavanaugh

COMMITTEE ABSENT

Dina Higgins

STAFF PRESENT

Natalie Lewis
Alfred Smith

Chairman Richins excused Committeewoman Higgins from the entire meeting.

1. Items from citizens present.

Chairman Richins stated that he would defer this item until after staff's presentation.

There were no items from citizens present.

2-a. Hear a presentation, discuss and make funding recommendations for the City's FY 2013/2014 Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), Emergency Solutions Grant (ESG), and Human Services Programs.

Director of Housing and Community Development Tammy Albright displayed a PowerPoint presentation (**See Attachment 1**) highlighting the Community Development Block Grant (CDBG) Program, HOME Investment Partnership (HOME) Program, Emergency Solutions Grant (ESG) Program and the Human Services Program.

Ms. Albright reported that staff was seeking Committee direction relative to the methodology for possible funding reductions. (See Page 2 of Attachment 1) She explained that last year, staff recommended, and received Council approval, that if the City did not receive level funding from the Department of Housing and Urban Development (HUD), they would eliminate the lowest rated commitments. She stated that this option was preferred as opposed to reducing all commitments by an equal percentage.

Ms. Albright explained that this item was in follow-up to the January 31, 2013 Community and Cultural Development Committee meeting, at which time staff was directed to go back and shift monies from one program to another in order to accommodate the needs of more non-profit organizations. She noted that because of prior year funding that is available this year only, staff was able to meet all of the funding requests that were made last week.

Ms. Albright highlighted the proposed changes with respect to CDBG funding as follows:

- A New Leaf – East Valley Men’s Center. (See Page 7 of Attachment 1) Last week, a representative of the non-profit stated that the agency had submitted two different applications. Staff initially believed it was a duplicate, but later determined that was not the case. Staff increased the agency’s CDBG funding request from \$150,000 to \$198,000 (\$180,000 in this year’s funding and an additional \$18,000 in prior year funding).
- West Mesa CDC – Community Compliance and Community Bridges – Mobile Community Outreach. (See Page 7 of Attachment 1) Both funding requests were switched from Human Services funding to CDBG funding.
- A New Leaf – Desert Leaf and La Mesita Apartments – Supportive Services. (See Page 7 of Attachment 1) Funding was switched from this year’s funding to prior year funding.

Ms. Albright pointed out that with respect to the Public Service applications, there is a 15% maximum allowable amount (\$476,445) and said that the City’s Public Service subtotal is \$475,500. She noted that \$164,557 in prior year CDBG funds remain and advised that staff would recommend that those monies not be allocated in order to provide a cushion throughout the year. She added that if such funds are not needed, they would be included in next year’s funding round.

Ms. Albright reiterated her comments from last week and said that staff continues to recommend that the Committee delegate the authority to the Housing and Community Development Advisory Board (HCDAB) to approve a “four month pre-award.” She said that staff has made the application available on the City’s website so that a non-profit agency can apply for a pre-award.

Ms. Albright further commented that staff recommends allocating the remaining FY 2013/14 HOME funds as a 50/50 split between homeownership and rental programs. (See Page 10 of Attachment 1) She said that staff was seeking the Committee’s direction with respect to this item.

Ms. Albright remarked that as she mentioned last week, Housing Our Community (HOC) previously assisted first time homebuyers with a down payment and housing costs assistance program. She advised that since the organization closed its operations, staff will now offer those services and has posted information on the City’s website in that regard.

Responding to a question from Chairman Richins, Ms. Albright confirmed that staff will provide those services “in-house” for now and may seek out a partner to assist with such efforts in the future.

Ms. Albright briefly discussed the proposed changes with respect to the ESG Program (See Pages 11 and 12 of Attachment 1) as follows:

- Central Arizona Shelter Services, Inc. – Emergency Shelter Services. Staff was directed to fully fund this application with ESG monies. In order to do so, staff sliced funds from A New Leaf – EMPOWER Rapid Rehousing Program (\$10,000) and the Save the Family – Rapid Rehousing Program (\$20,000). Note: A New Leaf and Save the Family also received \$81,023.77 respectively from prior year funds.

- A New Leaf – East Valley Men’s Center. Staff recommends \$22,264 in ESG funding and an additional \$24,000 in Human Services funding. Those amounts create the same level of funding as last year.

Ms. Albright noted that there were no remaining FY 2013/14 ESG funds.

Chairman Richins thanked the non-profit agencies for allowing the City the flexibility to move funding from one program to another so that they can provide their services and accommodate the needs of the community.

Ms. Albright further reviewed the proposed changes with respect to the Human Services/ABC Programs (See Pages 13, 14 and 15 of Attachment 1) as follows:

- Aid to Adoption of Special Kids (AASK) – Special Friends Mentoring Program. Staff shifted this application from CDBG in order to fully fund it with Human Services monies.
- Lutheran Social Services – IHelp Shelter Program for Homeless Women. Fully funded.
- Mercy Housing Southwest – Intergenerational Out of School Time Program. Fully funded.
- West Mesa CDC – Safety Education and Crime Prevention. Fully funded.

Chairman Richins commented that the West Mesa CDC – Mesa Neighborhood Academy has become an important tool for the expansion of the City’s Building Strong Neighborhoods Program. He stated that because it was funded out of Human Services, the program could go outside of the CDBG service area in order to assist homeowners’ associations (HOAs). He requested that when the Council goes through the budget cycle with Ms. Albright’s department, he would like to discuss the possibility of doing a contract for that program and accessing monies from her department’s budget instead of through the Human Services funding process.

Committeemember Kavanaugh concurred with Chairman Richins’ recommendations and noted that the Mesa Neighborhood Academy is an effective program and a way in which to supplement what the City does in terms of Neighborhood Services. He said that it is something that could be done on a contract basis that would have an identifiable outcome and provide a great service to the community.

Ms. Albright responded that staff is always willing to meet with any applicant to discuss the reasons that they received certain ratings. She noted that this is meant to serve as an educational process, so that hopefully next year the non-profit would submit a stronger application.

Ms. Albright displayed a document titled “FY 2013/14 Applications for All Funding Sources,” which was requested by the Committee. (See Pages 16 and 17 of Attachment 1) She said that it lists the name of the agency, the total agency request, and the total amount of funding recommended by staff.

Chairman Richins commented that it was difficult to determine the total amount of funding that an agency received when it is derived from various programs. He stated that this document was helpful in demonstrating the “cumulative effect” of monies that have been allocated to a particular non-profit organization for support.

Committeemember Kavanaugh remarked that the document would be equally helpful to other rating agencies, such as the Maricopa County Emergency Food and Shelter Grant Board, on which he serves, to understand what Mesa's non-profit agencies are receiving from the City of Mesa or other entities.

It was moved by Committeemember Kavanaugh, seconded by Chairman Richins, that the Committee approve the following: 1.) That the methodology for possible funding reductions would be to eliminate the lowest rated commitments (Staff's recommendation); 2.) That the HOME funds be allocated as a 50/50 split between homeownership programs and rental programs; 3.) That the Housing and Community Development Advisory Board (HCDAB) be delegated the authority to approve "a four month pre-award" to non-profit agencies; and 4.) That the recommendations summarized by Ms. Albright today and at the January 31, 2013 Community and Cultural Development Committee meeting be forwarded on to the full Council.

Chairman Richins inquired if anyone in the audience wished to address the Committee.

Ms. Albright noted that there has been a change in the "Community Revitalization Funding Schedule for FY 2013/14." (**See Attachment 2**) She stated that staff will make its presentation to the Council with respect to the Committee's funding recommendations at the February 25, 2013 Study Session instead of the February 28, 2013 Study Session when it was originally scheduled.

An unidentified citizen in the audience commented that the funding recommendations for Save the Family were not correct and that the agency received less than what is reflected in the document referenced by Ms. Albright.

Chairman Richins assured the speaker that staff would address her concerns.

Chairman Richins called for the vote.

Chairman Richins declared the motion carried unanimously by those present.

Chairman Richins thanked Ms. Albright for her presentation.

3. Adjournment.

Without objection, the Community and Cultural Development Committee meeting adjourned at 7:44 a.m.

I hereby certify that the foregoing minutes are a true and correct copy of the minutes of the Community and Cultural Development Committee meeting of the City of Mesa, Arizona, held on the 6th day of February, 2013. I further certify that the meeting was duly called and held and that a quorum was present.
