4. Take action on the following liquor license applications:

*4-a. Hyatt Place Phoenix-Mesa

A hotel with a bar and restaurant that serves breakfast, lunch, and dinner is requesting a new Series 11 Hotel/Motel License for Summit Hotel TRS 133 LLC, 1422 West Bass Pro Drive – David Scott Murray, agent. The existing license held by Mesa Food & Beverage LLC will revert to the State. **(District 1)**

*4-b. Bella Pizza & Pasta

A restaurant that serves lunch and dinner is requesting a new Series 12 Restaurant License for Now That's Italian LLC, 2905 South Ellsworth Road, Suite 101 – Steven Fick, agent. There is no existing license at this location. **(District 6)**

5. Take action on the following contracts:

*5-a. Three-Year Term Contract for Block Wall Cleaning, Painting and Repair Services for the Transportation Department. **(Citywide)**

This contract will provide block wall cleaning, painting and repair services on an as-needed basis at a variety of locations within the Mesa city limits.

The Transportation Department and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidder, Signature Facilities, at \$91,000 annually, based on estimated requirements.

- *5-b. One-Year Renewal Contract for AC Delco and Motorcraft Vehicle Parts for the Fleet Services Department. **(Citywide)**

This contract provides genuine AC Delco (General Motors) and Motorcraft (Ford) parts for the City's fleet of General Motors and Ford autos, vans and light trucks.

The Fleet Services Department and Purchasing recommend authorizing the renewal with USD, Inc., at \$200,000 annually, based on estimated requirements.

- *5-c. Three-Year Term Contract for Mechanical Fittings for the Materials and Supply Warehouse (for use in the Energy Resources Department). **(Citywide)**

This contract will provide Lycofit mechanical fittings for new construction projects and the maintenance and repair of existing gas utilities. These fittings are used to connect polyethylene pipe in the City's natural gas distribution system.

The Business Services and Energy Resources Departments and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidder, Border States, at \$37,500 annually, based on estimated requirements.

- *5-d. Purchase for Replacement/Upgraded Hardware – Network Storage and Software for the Evidence Management System for the Police Department. **(Citywide)**

This purchase will replace both the Digital Image Management System and the Evidence and Property Management Software with a unified system. The Digital Image Management System has been in use since 2008 and has reached its maximum storage capacity, and the QueTel Evidence and Property Management Software is over 15 years old, is out-of-date and behind on updates and upgrades. The unified system will improve access, auditing, management and storing of both digital and physical evidence.

The Police Department, Information Technology and Purchasing recommend authorizing the purchase using the National IPA/City of Tucson cooperative contract with CDW-G, at \$36,142; and purchase from the sole source vendor, QueTel Corporation, at \$235,351.77; for the total purchase of \$271,493.77. The hardware purchase from CDW-G is funded by a 2016 Justice Assistance Grant (JAG). The software purchase from QueTel Corporation is 40% funded by JAG and 60% funded by Information Technology Software Lifecycle funds.

- *5-e. Purchase of Ten Additional Portable Radios for the Information Technology Department – Communications and Infrastructure. **(Citywide)**

Police and Fire have modernized their handheld and vehicle mounted two-way radios. Also, the Fire members of the TOPAZ Regional Wireless Cooperative have added a Hazard Zone Communications network, which operates on a VHF frequency band. Communications requires updated radios to observe, reproduce and troubleshoot problems, and test functions.

Information Technology – Communications and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contract with Motorola Solutions Inc., at \$74,787.44.

- *5-f. Purchase for Advanced Security Software Subscription for the Information Technology Department. **(Citywide)**

This purchase will provide an annual subscription for advanced endpoint protection for 5,000 devices. This annual subscription is needed because the traditional antivirus solution is no longer effective in stopping current attacks, such as stealth malware, ransomware and zero-day attacks.

The Information Technology Department and Purchasing recommend authorizing the purchase from the Maricopa County cooperative contract and lowest-quoted vendor, SHI, at \$138,083.70.

- *5-g. Purchase of One Replacement Quantitation Instrument (DNA Polymerase Chain Reaction System) and Software Upgrade for an Existing Quantitation Instrument for the Police Department (Sole Source). **(Citywide)**

Forensic Services Division's Biology Unit completes DNA analysis of samples related to investigations conducted by the Mesa and Gilbert Police Departments. The laboratory currently owns two instruments used to quantify DNA. The software associated with these instruments cannot be used with newer quantitation kits. The Unit has requested the upgrade of an existing instrument that only requires a computer and software upgrade, and the purchase of a new 7500 Real Time PCR instrument as a full replacement for the older instrument.

The Police Department and Purchasing recommend awarding the contract to the sole source vendor, Life Technologies, at \$62,942.93. This purchase is funded by DNA Capacity Enhancement and DNA Backlog Reduction Program Grants.

- *5-h. Three-Year Term Contract for Gas Masks and Canisters for the Police Department. **(Citywide)**

Police Department members risk being exposed to many different types of toxic chemicals. Each year Safety Services fits each Officer's mask to confirm fit and test functionality. Gas masks become less functional over time with repeated use and exposure to elements. During this year's fitting, many masks were identified as no longer fit for service. The canisters also have an expiration date and need to be replaced periodically. The Department has an immediate need to replace 48 masks and to purchase 800 canisters.

The Police Department and Purchasing recommending awarding the contract to the lowest, responsive and responsible bidder, Mallory Safety & Supply LLC, at \$100,000 annually, based on estimated requirements.

- *5-i. Desert Well No. 19 Equipping Project – 4731 S. Signal Butte Road. **(District 6)**

Desert Well No. 19 will pump water to the existing 8 million gallon reservoir at the Signal Butte Water Treatment Plant via a well collection waterline in Signal Butte Road. New

development in Southeast Mesa has increased water demand and Desert Well No. 19 is now required to meet this demand.

Staff recommends awarding the contract to the lowest, responsible bidder, CSW Contractors, Inc., in the amount of \$1,199,028.50, plus an additional \$119,903 (10%), as a change order allowance, for a total amount of \$1,318,931.50. This project is funded by the 2014 authorized Water Bonds.

Items not on the Consent Agenda

11. Items from citizens present.

Andrea Garcia, a Mesa resident, stated that she is a paramedic for a private ambulance company and is here as a private citizen. She noted that at a prior Council meeting, private

paramedics were referred to as “Uber drivers.” She emphasized that paramedic work is hard and that a paramedic saves lives just like the City’s Fire and Medical paramedics. She remarked that she believes the comment from City Manager Christopher Brady was not meant to insult private paramedics as he was explaining the difference between private Emergency Medical Service (EMS) and the City’s Fire and Medical services, however, she requested an apology or acknowledgement.

Jay Gittrich, a Mesa resident, asked Council to reconsider the CoreCivic contract. He stated the opinion that for-profit jails are bad for the City due to hidden costs, gives Mesa a bad reputation, and would discourage businesses from coming to Mesa. He added that he would like to hear from the new Police Chief regarding for-profit jails. He noted that the jails should be a public service, not a for-profit enterprise.

12. Adjournment.

Without objection, the Regular Council Meeting adjourned at 6:04 p.m.

JOHN GILES, MAYOR
