1. Hear a presentation, discuss and provide direction to the Fire Department regarding the donation of a fire pumper truck to the Superior Fire Department.

Assistant Fire Chief Jim Bloomer displayed a PowerPoint presentation (**See Attachment 1**) and stated that the Mesa Fire and Medical Department (MFMD) was seeking Council approval to donate one fire pumper truck to the Superior Fire Department. He explained that the apparatus, which is a 1997 Pierce Quantum, 1500 gallons per minute (gpm) fire pumper, has met all of its replacement criteria with the Purchasing Department in order to be released.

Chief Bloomer highlighted two photographs illustrating the fire pumper truck. (See Pages 4 and 5 of Attachment 1)

Councilmember Richins commented that his "day job" provides him the opportunity to work with many communities in the Copper Corridor, such as Superior, Miami, Hayden and Winkelman. He stated that the economic impacts in those communities are "pretty stark," and added that the truck can be of great value to the Superior Fire Department.

Councilmember Kavanaugh commended Councilmember Richins for bringing this issue to the Council's attention. He indicated that the City of Mesa has a history of partnering with other Arizona communities, as well as its Sister City, Guaymas, Mexico. He advised that this year, the City has received requests from Guaymas and the Town of Superior, but pointed out that Superior's request is a much more immediate need. He further noted that the City of Phoenix

has loaned fire equipment to Superior for a period of time and added that approving this request is “a great way” to continue Mesa’s regional partnerships with other fire departments and public safety departments.

Councilmember Luna voiced support for the proposal. He stated that having grown up in a mining town in southeast Arizona, he was aware that similarly-sized mining communities are in dire need of assistance. He also thanked Councilmember Richins for bringing this matter to the Council’s attention.

Vice Mayor Finter expressed support for the donation and remarked that many Mesa residents travel through Superior and the surrounding communities. He also stressed the importance of the Superior Fire Department having dependable emergency response vehicles to assist citizens throughout the area.

Responding to a question from Vice Mayor Finter, City Attorney Debbie Spinner clarified that City policy does not require that the Council make a formal motion with regard to the proposal. She noted that Council direction would be sufficient.

Vice Mayor Finter stated that it was the consensus of the Council that staff move forward with the fire apparatus donation to the Superior Fire Department. He thanked Chief Bloomer for the presentation.
