Nothing contained in this section shall be construed as limiting any authority granted in the Master Resolution to issue Parity Bonds nor shall be deemed a limitation upon the issuance of bonds, notes or other obligations under any law pertaining to the City which are secured by moneys, income and funds other than the Net Revenues and other moneys and investments pledged hereunder.

Section 4. Terms of Series 2014 Refunding Bonds.

A. **Terms.** The Series 2014 Refunding Bonds shall be dated such date as set forth in the Bond Purchase Agreement, will mature July 1 in some or all of the years 2015 through 2031 inclusive, and will bear interest from their date to maturity or earlier redemption date of each of the Series 2014 Refunding Bonds provided that the bond yield shall not exceed 5.00%. The Series 2014 Refunding Bonds shall be initially issued in fully registered book-entry-only form in denominations equal to the respective year's maturity amount under the book-entry-only system (the "*Book-Entry-Only System*") of The Depository Trust Company ("*DTC*"). If the Book-Entry-Only System is discontinued, the Series 2014 Refunding Bonds shall be re-delivered to the respective Beneficial Owners in the denomination of \$5,000 or any integral multiple thereof, shall bear interest from the most recent January 1 or July 1 to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from their date, which interest shall be payable semiannually on January 1 and July 1 of

each year during the term of each of the Series 2014 Refunding Bonds, commencing on January 1, 2015 (or such other date as is specified in the Bond Purchase Agreement).

B. **Book-Entry-Only System.** So long as the Series 2014 Refunding Bonds are administered under the Book-Entry-Only System, interest payments and principal payments that are part of periodic principal and interest payments shall be paid to Cede & Co. or its registered assigns in same-day funds no later than the time established by DTC on each interest or principal payment date (or in accordance with then existing arrangements between the City and DTC). The Letter of Representations heretofore entered into between the City and DTC shall apply to the Series 2014 Refunding Bonds so long as the Series 2014 Refunding Bonds are administered under the Book-Entry-Only System.

C. **Registration.** If the Book-Entry-Only System is discontinued, the Bond Registrar's registration books will show the registered owners of the Series 2014 Refunding Bonds (collectively, the owner or owners of the Series 2014 Refunding Bonds as shown on the Bond Registrar's registration books shall be referred to as "*Owner*" or "*Owners*"). While the Series 2014 Refunding Bonds are subject to the Book-Entry-Only System, the Series 2014 Refunding Bonds shall be registered in the name of Cede & Co., or its registered assigns. The Series 2014 Refunding Bonds will be administered by the Bond Registrar in a manner which assures against double issuance and provides a system of transfer of ownership on the books of the Bond Registrar in the manner set forth in the Series 2014 Refunding Bonds.

D. **Payment.** If the Book-Entry-Only System is discontinued, interest on the Series 2014 Refunding Bonds will be payable on each Interest Payment Date by check mailed to the Owner thereof at the Owner's address all as shown on the registration books maintained by the Bond Registrar as of the close of business of the Bond Registrar on the fifteenth (15th) day of the month preceding an Interest Payment Date (the "*Record Date*").

If the Book-Entry-Only System is discontinued, principal of the Series 2014 Refunding Bonds will be payable, when due, only upon presentation and surrender of the Series 2014 Refunding Bonds at the designated office of a bank or trust company to be designated as the successor Bond Registrar. If the Book-Entry-Only System is discontinued, then, upon written request of a registered owner of at least \$1,000,000 in principal amount of Series 2014 Refunding Bonds not less than twenty (20) days prior to an Interest Payment Date, all payments of interest and, if adequate provision for surrender is made, principal shall be paid by wire transfer in immediately available funds to an account within the United States of America designated by such Owner.

Notwithstanding any other provision of this Twenty-Ninth Supplemental Resolution, payment of principal of and interest on any Series 2014 Refunding Bond that is held by a securities depository or Series 2014 Refunding Bonds subject to the Book-Entry-Only System may be paid by wire transfer in "same day funds."

Section 5. Prior Redemption.

A. **Optional Redemption.** The Series 2014 Refunding Bonds may be subject to redemption as determined by the Chief Financial Officer and set forth in the Bond Purchase Agreement.

B. **Mandatory Redemption.** The Series 2014 Refunding Bonds may be subject to mandatory redemption as determined by the Chief Financial Officer and set forth in the Bond Purchase Agreement.

Whenever Series 2014 Refunding Bonds subject to mandatory redemption are purchased, redeemed (other than pursuant to mandatory redemption) or delivered by the City to the Bond Registrar for cancellation, the principal amount of the Series 2014 Refunding Bonds so retired shall satisfy and be credited against the mandatory redemption requirements for such Series 2014 Refunding Bonds for such years as the City may direct.

C. Notice.

(1) So long as the Series 2014 Refunding Bonds are held under the Book-Entry-Only System, notices of redemption will be sent to DTC in the manner required by DTC. If the Book-Entry-Only System is discontinued, notice of redemption of any Series 2014 Refunding Bond will be mailed to the registered owner of the Series 2014 Refunding Bond or Series 2014 Refunding Bonds being redeemed at the address shown on the bond register maintained by the Bond Registrar not more than sixty (60) nor less than thirty (30) days prior to the date set for redemption. Notice of redemption may be sent to any securities depository by mail, facsimile transmission, wire transmission or any other means of transmission of the notice generally accepted by the respective securities depository. Neither the failure of any registered owner of Series 2014 Refunding Bonds to receive a notice of redemption nor any defect therein will affect the validity of the proceedings for redemption of Series 2014 Refunding Bonds as to which proper notice of redemption was given.

(2) Notice of any redemption will also be sent to the Municipal Securities Rulemaking Board (the “MSRB”), currently through the MSRB’s Electronic Municipal Market Access system (“EMMA”), in the manner required by the MSRB, but no defect in said further notice or record nor any failure to give all or a portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed above.

If moneys for the payment of the redemption price and accrued interest are not held in separate accounts by the City or by a Paying Agent prior to sending the notice of redemption, such redemption shall be conditional on such moneys being so held on the date set for redemption and if not so held by such date, the redemption shall be cancelled and be of no force and effect.

D. Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the Series 2014 Refunding Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Series 2014 Refunding Bonds on such date, and, if moneys for payment of the redemption price are held in separate accounts by the Paying Agent, interest on such Series 2014 Refunding Bonds or portions of the Series 2014 Refunding Bonds so called for redemption shall cease to accrue, such Series 2014 Refunding Bonds shall cease to be entitled to any benefit or security hereunder and the Owners of such Series 2014 Refunding Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and such Series 2014 Refunding Bonds shall be deemed paid and no longer outstanding.

E. Redemption of Less Than All of a Refunding Bond. The City may redeem an amount which is included in a Series 2014 Refunding Bond in the denomination in excess of, but divisible by, \$5,000. In that event, the registered owner shall submit the Series 2014 Refunding Bond for partial redemption and the Paying Agent shall make such partial payment and the Bond Registrar shall cause to be issued a new Series 2014 Refunding Bond in a principal amount equal to the unpaid amount remaining on such Series 2014 Refunding Bond after the redemption to be authenticated and delivered to the registered owner thereof.

Section 6. Form of Series 2014 Refunding Bonds. Pursuant to A.R.S. § 35-491, a fully registered bond form is adopted as an alternative to the form of bond provided in A.R.S. § 9-529. So long as the Book-Entry-Only System is in effect, the Series 2014 Refunding Bonds shall be in substantially the form of *Exhibit A*, attached hereto and incorporated by reference herein, with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby and are approved by those officers executing the Series 2014 Refunding Bonds; execution thereof by such officers shall constitute conclusive evidence of such approval. If the Book-Entry-Only System is discontinued, the Series 2014 Refunding Bonds shall be re-delivered to the respective Owners and transferred in substantially the form of *Exhibit A*, with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby and are approved by those officers executing the Series 2014 Refunding Bonds; execution thereof by such officers shall constitute conclusive evidence of such approval.

The Series 2014 Refunding Bonds may have notations, legends or endorsements required by law, securities exchange rule or usage. Each Series 2014 Refunding Bond shall show both the date of the issue and the date of such Refunding Bond's authentication and registration. The Series 2014 Refunding Bonds are prohibited from being converted to coupon or bearer form without the consent of the Council and approval of bond counsel.

Interest payments and principal payments that are part of periodic principal and interest payments shall be received by Cede & Co., as nominee of DTC, or its registered assigns in same-day funds no later than the time established by DTC on each interest or principal payment date or in accordance with existing arrangements between the City and DTC. The "Record Date" for the Series 2014 Refunding Bonds shall be the fifteenth day of the month preceding the month in which an interest payment is due.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and laws of the State of Arizona to exist, to occur and to be performed precedent to and in the issuance of this bond exist, have occurred and have been performed and that the series of bonds of which this is one, together with all other indebtedness of the City, is within every debt and other limit prescribed by the Constitution and laws of the State of Arizona.

This bond is one of a series of bonds in the aggregate principal amount of \$_____ of like tenor except as to amount, maturity date, interest rate and number, issued pursuant to the Constitution and laws of the State of Arizona including particularly Arizona Revised Statutes Section 9-535.01, Resolution No. 6362 adopted by the Mayor and Council of the City on July 29, 1991, as amended and supplemented, and Resolution No. _____ adopted by the Mayor and Council of the City on September 22, 2014 (collectively, the "Master Resolution"), for purpose of providing funds to refunding certain outstanding revenue bonds payable from revenues of the System (as defined below), to pay accrued interest on the bonds and to pay all legal, financial and other necessary costs in connection therewith.

The bonds are payable as to both principal and interest from and secured by a prior and paramount lien and pledge of the revenues, proceeds and receipts to be derived by the City from the operation of the City's water,

electrical, gas, sewer and solid waste (garbage and rubbish) utility systems (the "System"), subject only to the payment of the reasonable and necessary cost of operating and maintaining the System. Reference is made to the Master Resolution for a more complete statement of the provisions made to secure payment of the bonds, the revenues from which and conditions under which this bond is payable, statements of the terms under which the Master Resolution may be modified, and the general covenants and provisions pursuant to which this bond is issued. Said income and revenues are required by the Master Resolution to be fully sufficient to pay the cost of operating and maintaining the System and to pay the principal of and interest on this bond promptly as each becomes due and payable. The City has covenanted and does hereby covenant that it will fix and impose such rates and charges for the System's services rendered by the System and will collect and account for sufficient revenues to pay promptly the principal of and interest on this bond and all bonds on a parity with this bond. This bond and the interest hereon are enforceable exclusively from the revenues pledged thereto in the Master Resolution and no owner hereof shall have the right to compel any exercise of the taxing power of the City to pay this bond or the interest hereon. This bond does not constitute an indebtedness or pledge of the general credit of the City within the meaning of any constitutional, charter or statutory provisions relating to the incurring of indebtedness. This bond is a post-2002 Bond, as defined in the Master Resolution. As such, this bond has no claim against or right to share in the "pre-2003 Reserve Fund" which pertains only to bonds issued under the terms of the bond resolutions prior to January 1, 2003.

[Insert Redemption Provisions.]
