NOW, THEREFORE, IT IS RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF MESA, ARIZONA, AS FOLLOWS:

Section 1. Authorization. For the purpose of providing funds to make certain of the acquisitions and public improvements authorized by the qualified electors of the City at

the Election, there is hereby authorized to be issued and sold \$29,320,000 aggregate principal amount of the Bonds.

Section 2. Terms.

A. Issuance of the Bonds. The Bonds hereby authorized to be issued shall be designated City of Mesa, Arizona General Obligation Bonds, Series 2011 (the "*Bonds*"). The Bonds shall be dated as of the date of delivery of the Bonds to the purchaser and will bear interest from the most recent January 1 or July 1 to which interest has been paid, or in the case of the interest due January 1, 2012, from their original dated date, to the maturity of each of the Bonds. The first interest payment date will be January 1, 2012, and interest shall be payable semiannually thereafter on each succeeding July 1 and January 1 during the term of the Bonds. The Bonds will be initially issued in fully registered book-entry-only form in denominations equal to the respective year's maturity amount. If the Book-Entry-Only System described in the Letter of Representations hereinafter defined (the "*Book-Entry-Only System*") is discontinued, the Bonds will be issued in the denomination of \$5,000 each or integral multiples thereof. The Bonds will mature on July 1 in the years and amounts and will bear interest at the rates as follows:

Maturity Date (July 1)	Principal Amount	Interest Rate	Maturity Date (July 1)	Principal Amount	Interest Rate
2012	\$800,000	2.000%	2022	\$975,000	3.125%
2013	1,020,000	2.000%	2023	1,050,000	4.000%
2014	1,150,000	2.000%	2024	1,075,000	4.000%
2015	1,275,000	3.000%	2025	1,175,000	4.000%
2016	1,400,000	3.000%	2026	1,250,000	4.000%
2017	1,550,000	3.000%	2027	1,350,000	4.000%
2018	1,700,000	3.000%	2028	1,425,000	4.125%
2019	1,850,000	4.000%	2029	1,525,000	4.125%
2020	900,000	3.000%	2030	100,000	4.250%
2021	925,000	3.000%	2031	6,825,000	4.250%

B. Book-Entry-Only System. So long as the Bonds are administered under the Book-Entry-Only System, interest payments and principal payments that are part of periodic principal and interest payments shall be paid to Cede & Co. or its registered assigns in same-day funds no later than the time established by DTC on each interest or principal payment date or Certificate payment date (or in accordance with then existing arrangements between the District and DTC). The City has previously entered into an agreement (the "*Letter of Representations*") with DTC in connection with the issuance of the City's bonds, including the Bonds and, while the Letter of Representations is in effect, the procedures established therein shall apply to the Bonds.

C. Payment. So long as the Bonds are administered under the Book-Entry-Only System described herein, interest payments and principal payments that are part of periodic principal and interest payments shall be paid to Cede & Co. or its registered assigns in same-day

funds no later than the time established by DTC on each interest or principal payment date (or in accordance with then existing arrangements between the District and DTC).

D. Registration. If the Book-Entry-Only System is discontinued, the Registrar's registration books will show the registered owners of the Bonds (the owner or owners of the Bonds as shown on the Registrar's registration books shall be referred to as "*Owner*" or "*Owners*"). While the Bonds are subject to the Book-Entry-Only System, the Bonds shall be registered in the name of Cede & Co., or its registered assigns. The Bonds will be administered by the Registrar in a manner which assures against double issuance and provides a system of transfer of ownership on the books of the Registrar in the manner set forth in the Bonds. The City recognizes that Section 149(a) of the Internal Revenue Code of 1986, as amended (the "*Code*"), requires the Bonds to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the City agrees that it will not take any action to permit the Bonds to be issued in, or converted into bearer or coupon form.

E. Payment if Book-Entry-Only System is Discontinued. If the Book-Entry-Only System is discontinued, interest on the Bonds will be payable on each Interest Payment Date by check mailed to the Owner thereof at the Owner's address all as shown on the registration books maintained by the Registrar as of the close of business of the Registrar on the fifteenth (15th) day of the month preceding an Interest Payment Date (the "*Record Date*").

If the Book-Entry-Only System is discontinued, principal of the Bonds will be payable, when due, only upon presentation and surrender of the Bond at the designated corporate trust office of the Paying Agent (as defined hereafter). Upon written request of a registered owner of at least \$1,000,000 in principal amount of Bonds not less than twenty (20) days prior to an Interest Payment Date, all payments of interest and, if adequate provision for surrender is made, principal shall be paid by wire transfer in immediately available funds to an account within the United States of America designated by such Owner.

Notwithstanding any other provision of this resolution, payment of principal of and interest on any Bond that is held by a securities depository or Bonds subject to a Book-Entry-Only System may be paid by the Paying Agent by wire transfer in "same day funds".

F. Other Terms. The Bonds have such additional terms and provisions as are set forth in the form of Bond attached hereto as Exhibit A, which is a part of this resolution.

Section 3. Prior Redemption.

A. Redemption. Bonds maturing on or prior to July 1, 2021, are not subject to call for redemption prior to maturity. Bonds maturing on or after July 1, 2022, are subject to call for redemption prior to maturity, at the option of the City, in whole or in part, on July 1, 2021, or on any date thereafter by the payment of a redemption price equal to the principal amount of each Bond called for redemption plus accrued interest to the date fixed for redemption but without premium.

B. Notice. So long as the Bonds are held under the Book-Entry-Only

System, notices of redemption will be sent to DTC in the manner required by DTC. If the Book-Entry-Only System is discontinued, notice of redemption of any Bond will be mailed to the registered owner of the Bond or Bonds being redeemed at the address shown on the bond register maintained by the registrar not more than sixty (60) nor less than thirty (30) days prior to the date set for redemption. Failure to properly give notice of redemption shall not affect the redemption of any Bond for which notice was properly given. Notice of any redemption will also be sent to the Municipal Securities Rulemaking Board (the "MSRB"), currently through the MSRB's Electronic Municipal Market Access system ("EMMA"), in the manner required by the MSRB.

C. Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Bonds on such date, and, if moneys for payment of the redemption price are held in separate accounts by the Paying Agent, interest on such Bonds or portions of Bonds so called for redemption shall cease to accrue, such Bonds shall cease to be entitled to any benefit or security hereunder and the owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and such Bonds shall be deemed paid and no longer outstanding.

D. Redemption of Less Than All of a Bond. The City may redeem an amount which is included in a Bond in the denomination in excess of, but divisible by, \$5,000. In that event, the registered owner shall submit the Bond for partial redemption and the Paying Agent shall make such partial payment and the Registrar shall cause to be issued a new Bond in a principal amount equal to the unpaid amount remaining on such Bond after the redemption to be authenticated and delivered to the registered owner thereof.

Section 4. Security. For the purpose of paying the principal of, interest and premium (if any) on early redemption and costs of administration of the registration and payment of the Bonds there shall be levied on all the taxable property in the City a continuing, direct, annual, ad valorem tax sufficient to pay all such principal, interest, premium and administration costs on the Bonds as the same becomes due, such taxes to be levied, assessed and collected at the same time and in the same manner as other taxes are levied, assessed and collected. The proceeds of the taxes shall be kept in a special fund and shall be used only for the purpose for which collected.

Section 5. Form of Bonds. So long as the Book-Entry-Only System is in effect, the Bonds shall be in substantially the form of Exhibit A, attached hereto and incorporated by reference herein, with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby and are approved by those officers executing the Bonds and execution thereof by such officers shall constitute conclusive evidence of such approval. If the Book-Entry-Only System is discontinued, the Bonds shall be reissued and transferred in forms of Bonds and Certificates to be prepared at that time.

The Bonds may have notations, legends or endorsements required by law, securities exchange rule or usage. Each Bond shall be dated the date of its authentication and registration.

Section 6. Use of Proceeds. The proceeds from the sale of the Bonds shall be set aside and used for the purposes set forth on *Exhibit B* attached hereto. Bonds used for the public safety and street improvements will be charged against the City's 20% debt limit (Article 9, Section 8, Arizona Constitution). The moneys for each separate purpose as stated above shall be applied and used solely for the respective purpose and shall be allocated against the respective ballot question submitted to the qualified electors of the City at the Election, as set forth on *Exhibit B* attached hereto.

Section 7. Execution of Bonds. The Bonds shall be executed for and on behalf of the City by the Mayor and attested by the Clerk by their manual or facsimile signatures and the City seal will be either photographically, mechanically reproduced or manually imprinted or affixed on the Bonds. If the signatures are affixed or imprinted by facsimile, the Mayor and Clerk shall execute a certificate adopting as their signatures the facsimile signatures appearing on the Bonds. If an officer whose signature is on a Bond no longer holds that office at the time the Bond is authenticated and registered, the Bond shall nevertheless be valid.

A Bond shall not be valid or binding until authenticated by the manual signature of an authorized officer of the Registrar. The signature shall be conclusive evidence that the Bond has been authenticated and issued under this resolution.

Section 8. Mutilated, Lost or Destroyed Bonds. In case any Bond becomes mutilated or destroyed or lost, the City shall cause to be executed and delivered a new Bond of like date and tenor in exchange and substitution for and upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, upon the registered owner's paying the reasonable expenses and charges of the City in connection therewith and, in the case of the Bond destroyed or lost, filing with the City Clerk by the registered owner evidence satisfactory to the City that such Bond was destroyed or lost, and furnishing the City with a sufficient indemnity bond pursuant to Arizona Revised Statutes, § 47-8405.

Section 9. Acceptance of Final Bid. The bid of BOSC, Inc. (the "*Purchaser*"), which is on file with the City Clerk, is hereby accepted as the lowest and best bid and the Bonds are hereby ordered sold to such purchaser in accordance with the terms of such bid and the terms and conditions of the Notice Inviting Bids for the Purchase of Bonds.

The Senior Executive Manager is hereby authorized and directed to cause the Bonds to be delivered to or upon the order of the purchaser upon receipt of payment therefor and satisfaction of the other conditions for delivery thereof in accordance with the terms of the sale.

Section 10. Registrar and Paying Agent. The City will maintain an office or agency where Bonds may be presented for registration or transfer (the "*Registrar*") and an office or agency where Bonds may be presented for payment (the "*Paying Agent*"). The City may appoint one or more co-registrars or one or more additional Paying Agents. The Registrar and Paying Agent may make reasonable rules and set reasonable requirements for their respective functions with respect to the owners of the Bonds.

Initially, U.S. Bank National Association, Phoenix, Arizona, will act as, and is hereby designated as, the Registrar and Paying Agent with respect to the Bonds. Any entity into which the Registrar and Paying Agent is merged or consolidated shall continue as the Registrar and Paying Agent hereunder without notice to the owners of Bonds or any further action by the City. The City may change the Registrar or Paying Agent without notice to or consent of owners of the Bonds and the City may act in any such capacity.

The contract for Registrar's services is hereby approved in substantially the form on file with the City Clerk, to provide for payment of Registrar's services. The Mayor or Senior Executive Manager and Clerk are hereby authorized and directed to execute the contract with the Registrar.

Each Paying Agent will be required to agree in writing that the Paying Agent will hold in trust for the benefit of the owners of the Bonds all moneys held by the Paying Agent for the payment of principal of and interest and any premium on the Bonds.

The Registrar may appoint an authenticating agent acceptable to the City to authenticate Bonds. An authenticating agent may authenticate Bonds whenever the Registrar may do so. Each reference in this resolution to authentication by the Registrar includes authentication by an authenticating agent acting on behalf and in the name of the Registrar and subject to the Registrar's direction.

The Registrar shall keep a register of the Bonds, the registered owners of the Bonds and of transfer of the Bonds. When Bonds are presented to the Registrar or a co-registrar with a request to register transfer, the Registrar will register the transfer on the registration books if its requirements for transfer are met and will authenticate and deliver one or more Bonds registered in the name of the transferee of the same principal amount, maturity and rate of interest as the surrendered Bonds. Bonds presented to the Registrar for transfer after the close of business on the Record Date and before the close of business on the next subsequent interest payment date will be registered in the name of the transferee but the interest payment will be made to the registered owners shown on the books of the Registrar as of the close of business on the Record Date.

The Registrar shall authenticate Bonds for original issue up to \$29,320,000 in aggregate principal amount upon the written request of the Mayor or Senior Executive Manager. The aggregate principal amount of Bonds outstanding at any time may not exceed that amount except for replacement Bonds as to which the requirements of the Registrar and the City are met.

Section 11. Official Statement. The preparation, completion, use and distribution of the Preliminary Official Statement dated May 9, 2011 (the "*Preliminary Official Statement*"), pertaining to the original issuance of the Bonds in the form now on file with the City Clerk is approved as a "deemed final" official statement (excepting permitted omissions), by the City as of its date for purposes of Securities and Exchange Commission Rule 15c2-12 (the "*Disclosure Rule*"). Either the Mayor or the Senior Executive Manager is hereby authorized to certify or represent that the Official Statement is "final" for purposes of the Disclosure Rule. Such approval of the Preliminary Official Statement by either the Mayor or Senior Executive

Manager shall constitute the approval and designation by the City of the Preliminary Official Statement as a deemed final Official Statement for all purposes of the Disclosure Rule. Either the Mayor or Senior Executive Manager is authorized on the City's behalf to complete a final official statement to be dated on or about the date hereof, and in substantially the form of the Preliminary Official Statement (the "*Final Official Statement*"). (The Preliminary Official Statement and the Final Official Statement are collectively referred to herein as the "*Official Statement*".) The Final Official Statement shall contain such modifications, changes and supplements as either the Mayor or Senior Executive Manager shall approve or authorize as necessary to make true and accurate the information contained therein. Either the Mayor or Senior Executive Manager is hereby authorized to execute and deliver to the Purchaser the Final Official Statement.

Either the Mayor or Senior Executive Manager is further authorized to use and distribute, or authorize the use and distribution of, the Final Official Statement and supplements thereto concerning the original issuance of the Bonds as may in the Mayor's or Senior Executive Manager's judgment be necessary or appropriate.

The Mayor, City Clerk or Senior Executive Manager is also authorized to sign and deliver, on the City's behalf and in their official capacities, such certificates concerning the accuracy of the Final Official Statement and any amendment thereto as may, in their judgment, be necessary or appropriate.

Section 12. Continuing Disclosure Undertaking. The form of continuing disclosure certificate, in substantially the form submitted to and on file with the City Clerk, is hereby approved. The Mayor or Senior Executive Manager is hereby authorized and directed to prepare, execute and deliver such certificate on behalf of the City.

Section 13. Rebate Fund; Rebate Payments. In the event the City is required to rebate its earnings and profits from the investment of the Bonds, the Mayor and the Council hereby authorize the Senior Executive Manager or any agent thereof to create a separate fund to be known as the Rebate Fund. Into such fund shall be deposited any and all moneys deemed necessary to remain in compliance with the provisions of Section 148 of the Internal Revenue Code of 1986, as amended (the "*Code*"), or any regulations promulgated thereunder. Moneys in such fund shall be segregated or (if authorized in writing by an opinion of Bond Counsel, as defined below) commingled with other moneys of the City. The Senior Executive Manager is ordered and directed to employ or engage one or more arbitrage rebate consultants to calculate annually any necessary rebate amount to be paid to the United States of America. The Senior Executive Manager is authorized and directed to pay any amounts necessary to the United States, as arbitrage rebate(s).

Section 14. Resolution a Contract. This resolution shall constitute a contract between the City and the registered owners of the Bonds and shall not be repealed or amended in any manner which would impair, impede or lessen the rights of the registered owners of the Bonds then outstanding.

Section 15. Severability. If any section, paragraph, subdivision, sentence, clause or phrase of this resolution is for any reason held to be illegal, invalid or unenforceable, such decision will not affect the validity of the remaining portions of this resolution. The Mayor and Council hereby declare that the City would have adopted this resolution and each and every other section, paragraph, subdivision, sentence, clause or phrase hereof and authorized the issuance of the Bonds pursuant hereto irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases of this resolution may be held illegal, invalid or unenforceable.

Section 16. Ratification of Actions. All actions of the officers and agents of the City which conform to the purposes and intent of this resolution and which further the issuance and sale of the Bonds as contemplated by this resolution whether heretofore or hereafter taken shall be and are hereby ratified, confirmed and approved. Any change made in the Notice Inviting Proposals for the Purchase of Bonds which do not conform to the prior order of this Mayor and Council are hereby ratified. The proper officers and agents of the City are hereby authorized and directed to do all such acts and things and to execute and deliver all such documents on behalf of the City as may be necessary to carry out the terms and intent of this resolution.

Section 17. Tax Covenants. In consideration of the purchase and acceptance of the Bonds by the owners thereof and, as authorized by Arizona Revised Statutes, Title 35, Chapter 3, Article 7, and in consideration of retaining the exclusion of interest income on the Bonds from gross income for federal income tax purposes, the City covenants with the owners from time to time of the Bonds to neither take nor fail to take any action which action or failure to act is within its power and authority and would result in interest on the Bonds become subject to federal income taxes.

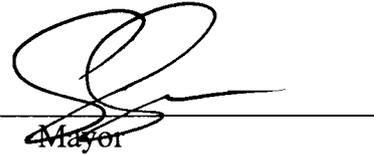

The City agrees that it will comply with such requirements as in the opinion of Gust Rosenfeld P.L.C. ("*Bond Counsel*") are necessary to prevent interest on the Bonds becoming subject to inclusion in gross income for federal income tax purposes. Such requirements may include but are not limited to making further specific covenants; making truthful certifications and representations and giving necessary assurances; complying with all representations, covenants and assurances contained in certificates or agreements to be prepared by Bond Counsel; to pay to the United States of America any required amounts representing rebates of arbitrage profits relating to the Bonds; filing forms, statements and supporting documents as may be required under the federal tax laws; limiting the term of and yield on investments made with moneys relating to the Bonds; and limiting the use of the proceeds of the Bonds and property financed thereby.
