NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MESA, MARICOPA COUNTY, ARIZONA, as follows:

Section 1. Authorization. The Bonds are hereby authorized to be issued and sold at not less than par and accrued interest, if any, in an aggregate principal amount of not to exceed \$21,000,000 in accordance with the provisions of this Resolution and delivered to the Underwriter against payment therefor. The Bonds are designated City of Mesa, Arizona, General Obligation Refunding Bonds, Tax-Exempt Series 2016A. The Bonds will be issued to provide funds to refund the Bonds Being Refunded and to pay the costs of issuance of the Bonds. The City Council finds and determines that it is expedient, necessary and advisable for the City to issue the Bonds which will result in a debt service savings. The present value of the debt service savings, net of all costs associated with the Bonds, shall be at least 3.00% of the principal amount of the Bonds Being Refunded.

Section 2. Terms.

A. **Bonds.** The Bonds will be dated such date as set forth in the Bond Purchase Agreement, will mature on July 1 in some or all of the years 2017 through 2027 inclusive, and will bear interest from their date to the maturity or earlier redemption date of each of the Bonds provided that the bond yield shall not exceed 5.00%.

The principal amount maturing in each year, the interest rates applicable to each maturity, the optional and mandatory redemption provisions and any other final terms of the Bonds shall be as set forth in the Bond Purchase Agreement and approved by the Chief Financial Officer and such approval shall be evidenced by the execution and delivery of the Bond Purchase Agreement. The Bonds are expected to be initially issued in fully registered book-entry-only form in denominations equal to the respective year's maturity amount. If the book-entry-only system (the "*Book-Entry-Only System*") is discontinued, the Bonds will be in the denominations of \$5,000 each or integral multiples thereof. Interest on the Bonds shall be payable semiannually on each January 1 and July 1 (each, an "*Interest Payment Date*") during the term of the Bonds, commencing July 1, 2016 (or on a later date as set forth in the Official Statement (as defined herein)).

B. **Book-Entry-Only System.** So long as the Bonds are administered under the Book-Entry-Only System, interest payments and principal payments that are part of periodic principal and interest payments shall be paid to Cede & Co. or its registered assigns in same-day funds no later than the time established by The Depository Trust Company ("*DTC*") on each interest or principal payment date (or in accordance with then-existing arrangements between the City and DTC). The City has entered into an agreement (the "*Letter of Representations*") with DTC in connection with the issuance of

the City's bonds, including the Bonds and, while the Letter of Representations is in effect, the procedures established therein shall apply to the Bonds.

C. Registration. If the Book-Entry-Only System is discontinued, the Registrar's (as defined herein) registration books will show the registered owners of the Bonds (the owner or owners of the Bonds as shown on the Registrar's registration books shall be referred to as "Owner" or "Owners"). While the Bonds are subject to the Book-Entry-Only System, the Bonds shall be registered in the name of Cede & Co., or its registered assigns. The Bonds will be administered by the Registrar in a manner which assures against double issuance and provides a system of transfer of ownership on the books of the Registrar in the manner set forth in the Bonds. The City recognizes that Section 149(a) of the Internal Revenue Code of 1986, as amended (the "Code"), requires the Bonds to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the City agrees that it will not take any action to permit the Bonds to be issued in, or converted into bearer or coupon form.

D. Payment if Book-Entry-Only System is Discontinued. If the Book-Entry-Only System is discontinued, interest on the Bonds will be payable on each interest payment date by check mailed to the Owner thereof at the Owner's address all as shown on the registration books maintained by the Registrar as of the close of business of the Registrar on the fifteenth (15th) day of the month preceding an interest payment date (the "Record Date").

If the Book-Entry-Only System is discontinued, principal of the Bonds will be payable, when due, only upon presentation and surrender of the Bond at the designated corporate trust office of the Paying Agent (as defined herein). Upon written request of a registered owner of at least \$1,000,000 in principal amount of Bonds not less than twenty (20) days prior to an interest payment date all payments of interest and, if adequate provision for surrender is made, principal and premium, if any, shall be paid by wire transfer in immediately available funds to an account within the United States of America designated by such Owner.

Notwithstanding any other provision of this Resolution, payment of principal of and interest on any Bond that is held by a securities depository or Bonds subject to a Book-Entry-Only System may be paid by the Paying Agent by wire transfer in "same day funds".

E. Other Terms. The Bonds shall have such additional terms and provisions as are set forth in the form of Bond attached hereto as Exhibit A, which is part of this Resolution.

Section 3. Prior Redemption.

A. Optional Redemption. The Bonds may be subject to redemption as determined by the Chief Financial Officer and set forth in the Bond Purchase Agreement.

B. Mandatory Redemption. The Bonds may be subject to mandatory redemption as determined by the Chief Financial Officer and set forth in the Bond Purchase Agreement.

Whenever Bonds subject to mandatory redemption are purchased, redeemed (other than pursuant to mandatory redemption) or delivered by the City to the Registrar for cancellation, the principal amount of the Bonds so retired shall satisfy and be credited against the mandatory redemption requirements for such Bonds for such years as the City may direct.

C. Notice.

(1) So long as the Bonds are held under the Book-Entry-Only System, notices of redemption will be sent to DTC in the manner required by DTC. If the Book-Entry-Only System is discontinued, notice of redemption of any Bond will be mailed to the registered owner of the Bond or Bonds being redeemed at the address shown on the on the bond registrar maintained by the registrar not more than sixty (60) nor less than thirty (30) days prior to the date set for redemption. Failure to properly give notice of redemption shall not affect the redemption of any Bond for which notice was properly given.

(2) Notice of any redemption will also be sent to the Municipal Securities Rulemaking Board (the "MSRB"), currently through the MSRB's Electronic Municipal Market Access System, the manner required by the MSRB, but no defect in said further notice or record nor any failure to give all or a portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed above.

If moneys for the payment of the redemption price and accrued interest are not held in separate accounts by the City or by a Paying Agent (as defined herein) prior to sending the notice of redemption, such redemption shall be conditional on such moneys being so held on the date set for redemption and if not so held by such date, the redemption shall be cancelled and be of no force and effect.

D. Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Bonds on such date, and, if moneys for payment of the redemption price are held in separate accounts by the Paying Agent, interest on such Bonds or portions of Bonds so called for redemption shall cease to accrue, such Bonds shall cease to be entitled to any benefit or security hereunder and the owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and such Bonds shall be deemed paid and no longer outstanding.

E. Redemption of Less Than All of a Bond. The City may redeem an amount which is included in a Bond in the denomination in excess of, but divisible by, \$5,000. If the Book-Entry-Only System is discontinued, in that event, the registered owner shall submit the Bond for partial redemption and the Paying Agent shall make such partial payment and the Registrar shall cause to be issued a new Bond in a principal amount equal to the unpaid amount remaining on such Bond after the redemption to be authenticated and delivered to the registered owner thereof.

Section 4. Security. For the purpose of paying the principal and premium (if any) of, interest on and costs of administration of the registration and payment of the Bonds, there shall be levied on all the taxable property in the City a continuing, direct, annual, ad valorem tax sufficient to pay all such principal, interest and administration costs as the same becomes due, such taxes to be levied, assessed and collected at the same time and in the same manner as other taxes are levied, assessed and collected. Taxes levied with respect to the payment of principal of and interest on the Bonds shall be limited as follows: the total aggregate of taxes levied to pay principal of and interest on the Bonds in the aggregate shall not exceed the total aggregate principal and interest to become due on the Bonds Being Refunded, calculated from the date of issuance of the Bonds to the final maturity date of the Bonds Being Refunded; and further, if the trust created to pay principal of and premium and interest on the Bonds Being Refunded is insufficient to make such payments when due, any taxes levied to pay principal of and interest

on the Bonds shall first be applied to the payments of amounts due on the Bonds Being Refunded. The proceeds of the taxes shall be kept in a special fund of the City entitled the "*Debt Service Fund*" and shall be used only for the payment of principal, interest, premium, if any, or costs as above-stated.

Upon creation of the trust for payment of the Bonds Being Refunded, all moneys collected during the current fiscal year which would otherwise have been credited to the Debt Service Fund for the Bonds Being Refunded shall be credited to the Debt Service Fund created to service the Bonds.

Section 5. Use of Proceeds. Upon the delivery of and payment for the Bonds in accordance with the terms of their sale, the net proceeds from the sale of the Bonds, after payment of the costs and expenses of issuance, shall be set aside, together with certain funds of the City, if any, required to pay the Bonds Being Refunded, in a special trust fund maintained by U.S. Bank National Association as depository trustee (the "*Depository Trustee*") and shall be used to pay, when due, principal of and interest and premium on the Bonds Being Refunded, all as more fully described in that certain Depository Trust Agreement (the "*Depository Trust Agreement*"), by and between the City and the Depository Trustee. Amounts credited to the trust, other than any beginning cash balance, shall be invested immediately in obligations issued by or guaranteed by the United States of America the maturing principal of and interest on which, together with any beginning cash balance, shall be sufficient to pay the principal of and premium and interest on the Bonds Being Refunded as the same becomes due at maturity or prior redemption as provided herein.

Any balance of the net proceeds of the Bonds remaining after creation of the trust for the Bonds Being Refunded shall be transferred to the Debt Service Fund for the Bonds.

Section 6. Form of Bonds. So long as the Book-Entry-Only System is in effect, the Bonds shall be in substantially the form of *Exhibit A* attached hereto and incorporated by reference herein, with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby and are approved by those officers executing the Bonds and, execution thereof by such officers shall constitute conclusive evidence of such approval. If the Book-Entry-Only System is discontinued, the Bonds shall be reissued and transferred in the form of Bond to be prepared at that time.

The Bonds may have notations, legends or endorsements required by law, securities exchange rule or usage. Each Bond shall be dated the date of its authentication and registration.

Section 7. Execution of Bonds and Other Documents.

A. **Bonds.** The Bonds shall be executed for and on behalf of the City by the Mayor, attested by the Clerk and countersigned by the Chief Financial Officer by their manual or facsimile signatures and the City seal will be either photographically, mechanically reproduced or manually imprinted, or affixed on the Bonds. If the signatures are affixed or imprinted by facsimile, the Mayor, City Clerk and Chief Financial Officer shall execute a certificate adopting as their signatures the facsimile signatures appearing on the Bonds. If an officer whose signature is on a Bond no longer holds that office at the time the Bond is authenticated and registered, the Bond shall nevertheless be valid. A Bond shall not be valid or binding until authenticated by the manual signature of an authorized officer of the Registrar. The signature shall be conclusive evidence that the Bond has been authenticated and issued pursuant to this Resolution. The City Manager or the Chief Financial Officer is hereby authorized and directed to cause the Bonds to be delivered to or upon the order of the Underwriter upon

receipt of payment therefor and satisfaction of the other conditions for delivery thereof in accordance with the terms of the Bond Purchase Agreement.

B. Depository Trust Agreement. The form of Depository Trust Agreement, as presented to the City Council and on file with the City, concerning the refunding of the Bonds Being Refunded is hereby approved and the Mayor, the Clerk or the Chief Financial Officer is hereby directed to execute such contract on behalf of the City with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby and are approved by those officers executing the documents. Execution by such officers shall constitute conclusive evidence of such approval and cause such respective contract to be delivered.

C. Continuing Disclosure Certificate. The form of continuing disclosure certificate, in substantially the form submitted to and on file with the City, is hereby approved. The Mayor or Chief Financial Officer is hereby authorized and directed to prepare, execute and deliver such certificate on behalf of the City.

D. Official Statement. The preparation of a preliminary official statement in a form that is deemed "final", as hereafter described, is hereby authorized and approved and its distribution by the Underwriter is hereby authorized and approved. Such preliminary official statement shall be in a form that is approved and deemed "final" for all purposes of Section 240.15c2-12, General Rules and Regulations, Securities Exchange Act of 1934, as amended, by the Mayor or the Chief Financial Officer. The City will cause a final official statement (the "*Official Statement*") in substantially the form of the preliminary official statement referred to above to be prepared and distributed with the Bonds upon initial issuance. The Mayor or the Chief Financial Officer is authorized to approve, execute and deliver the Official Statement on behalf of the City and the execution by such officer shall be deemed conclusive evidence of such approval. The preliminary official statement and the Official Statement may be prepared in conjunction with, and may be part of the same document as, the preliminary official statement and the Official Statement for any other bonds which may be issued by the City.

Section 8. Mutilated, Lost or Destroyed Bonds. In case any Bond becomes mutilated or destroyed or lost, the City shall cause to be executed and delivered a new Bond of like date and tenor in exchange and substitution for and upon the cancellation of the mutilated Bond or in lieu of and in substitution for the Bond destroyed or lost, upon the registered owner's paying the reasonable expenses and charges of the City in connection therewith and, in the case of the Bond destroyed or lost, filing with the City Clerk by the registered owner evidence satisfactory to the City that such Bond was destroyed or lost, and furnishing the City with a sufficient indemnity bond pursuant to Arizona Revised Statutes § 47-8405.

Section 9. Acceptance of Offer; Sale of Bonds; Bond Purchase Agreement Approval. The Underwriter will purchase such Bonds at not less than par and accrued interest, if any, pursuant to the Bond Purchase Agreement submitted to and on file with the City, as supplemented by the final terms as contemplated by this Resolution. When the final terms of such Bonds are known, the Bond Purchase Agreement shall be finalized. The Mayor, any member of the City Council, or the Chief Financial Officer is authorized and directed to cause the Bond Purchase Agreement to be completed and executed; provided, however, that the parameters of this Resolution shall govern the Bond Purchase Agreement and neither the Mayor, any member of the City Council, or the Chief Financial Officer is authorized to insert in the Bond Purchase Agreement any terms or conditions which would be contrary to this Resolution. Upon the completion, execution and delivery of the Bond Purchase Agreement, any or all of the Bonds are ordered sold to the Underwriter pursuant to the Bond Purchase Agreement.

Section 10. Registrar and Paying Agent. The City will maintain an office or agency where Bonds may be presented for registration or transfer (the "*Registrar*") and an office or agency where Bonds may be presented for payment (the "*Paying Agent*"). The City may appoint one or more co-registrars or one or more additional Paying Agents. The Registrar and Paying Agent may make reasonable rules and set reasonable requirements for their respective functions with respect to the owners of the Bonds.

Initially, U.S. Bank National Association, Phoenix, Arizona, will act as, and is hereby designated as, the Registrar and Paying Agent with respect to the Bonds. Any entity into which the Registrar and Paying Agent is merged or consolidated shall continue as the Registrar and Paying Agent hereunder without notice to the owners of Bonds or any further action by the City. The City may change the Registrar or Paying Agent without notice to or consent of owners of the Bonds and the City may act in any such capacity.

The contract for Registrar's services is hereby approved in substantially the form on file with the City Clerk, to provide for payment of Registrar's services. The Mayor, any member of the City Council or Chief Financial Officer and City Clerk are hereby authorized and directed to execute or attest, as applicable the contract with the Registrar.

Each Paying Agent will be required to agree in writing that the Paying Agent will hold in trust for the benefit of the owners of the Bonds all moneys held by the Paying Agent for the payment of principal of and interest and any premium on the Bonds.

The Registrar may appoint an authenticating agent acceptable to the City to authenticate Bonds. An authenticating agent may authenticate Bonds whenever the Registrar may do so. Each reference in this Resolution to authentication by the Registrar includes authentication by an authenticating agent acting on behalf and in the name of the Registrar and subject to the Registrar's direction.

The Registrar shall keep a register of the Bonds, the registered owners of the Bonds and of transfer of the Bonds. When Bonds are presented to the Registrar or a co-registrar with a request to register transfer, the Registrar will register the transfer on the registration books if its requirements for transfer are met and will authenticate and deliver one or more Bonds registered in the name of the transferee of the same principal amount, maturity and rate of interest as the surrendered Bonds. All transfer fees and costs shall be paid by the transferor.

The "*Record Date*" for the Bonds shall be the fifteenth day of the month preceding the month in which an interest payment is due. Bonds presented to the Registrar for transfer after the close of business on the Record Date and before the close of business on the next subsequent interest payment date will be registered in the name of the transferee but the interest payment will be made to the registered owners shown on the books of the Registrar as of the close of business on the Record Date.

The Registrar shall authenticate Bonds for original issue up to \$21,000,000 in aggregate principal amount upon the written request of the Mayor or the Chief Financial Officer. The aggregate principal amount of Bonds outstanding at any time may not exceed that amount except for replacement Bonds as to which the requirements of the Registrar and the City are met.

Section 11. Resolution a Contract. This Resolution shall constitute a contract between the City and the registered owners of the Bonds and shall not be repealed or amended in any manner which would impair, impede or lessen the rights of the registered owners of the Bonds then outstanding.

Section 12. Ratification of Actions. All actions of the officers and agents of the City which conform to the purposes and intent of this Resolution and which further the issuance and sale of the Bonds as contemplated by this Resolution whether heretofore or hereafter taken are hereby ratified, confirmed and approved. The proper officers and agents of the City are hereby authorized and directed to do all such acts and things and to execute and deliver all such documents on behalf of the City as may be necessary to carry out the terms and intent of this Resolution.

Section 13. Bond Insurance or Credit Enhancement. The Chief Financial Officer is hereby authorized to expend or cause to be expended Bond proceeds to purchase bond insurance or other credit enhancements for the Bonds if deemed to be in the City's best interest.

Section 14. Qualified Tax-Exempt Obligations. The Bonds are not "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code.

Section 15. Tax Covenant. In consideration of the purchase and acceptance of the Bonds by the owners thereof and, as authorized by Arizona Revised Statutes, Title 35, Chapter 3, Article 7, and in consideration of retaining the exclusion of interest income on the Bonds from gross income for federal income tax purposes, the City covenants with the Owners from time to time of the Bonds to neither take nor fail to take any action which action or failure to act is within its power and authority and would result in interest on the Bonds becoming subject to federal income taxes.

The City agrees that it will comply with such requirements as in the opinion of Gust Rosenfeld P.L.C. ("*Bond Counsel*") are necessary to prevent interest on the Bonds becoming subject to inclusion in gross income for federal income tax purposes. Such requirements may include but are not limited to making further specific covenants; making truthful certifications and representations and giving necessary assurances; complying with all representations, covenants and assurances contained in certificates or agreements to be prepared by Bond Counsel; to pay to the United States of America any required amounts representing rebates of arbitrage profits relating to the Bonds; filing forms, statements and supporting documents as may be required under the federal tax laws; limiting the term of and yield on investments made with moneys relating to the Bonds; and limiting the use of the proceeds of the Bonds and property financed thereby.

The City hereby authorizes the Chief Financial Officer, or his or her designee, to represent and act for the City in all matters pertaining to the City's tax-exempt bonds, as may be necessary to comply, on a continuing basis, with the Internal Revenue Service, Securities Exchange Commission and other governmental entities' requests, reporting requirements, examinations, continuing disclosure requirements and post issuance compliance policies and matters.

Section 16. Redemption of Bonds Being Refunded. Some or all of the maturities of the Prior Bonds may be refunded. Those selected for refunding are referred to herein as the Bonds Being Refunded. The City Council hereby orders that the series and the maturities of the Bonds Being Refunded and the times that the Bonds Being Refunded will be redeemed will be determined by the Chief Financial Officer and will be as set forth in the Official Statement and the Depository Trust

Agreement. The weighted average maturity of the Bonds shall be at least 75% of the weighted average maturity of the Bonds Being Refunded.

Section 17. Severability. If any section, paragraph, subdivision, sentence, clause or phrase of this Resolution is for any reason held to be illegal, invalid or unenforceable, such decision will not affect the validity of the remaining portions of this Resolution. The City Council hereby declares that this Resolution would have been adopted and each and every other section, paragraph, subdivision, sentence, clause or phrase hereof and authorized the issuance of the Bonds pursuant hereto irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases of this Resolution may be held illegal, invalid or unenforceable.
