2020 Mesa Moves Bond Program Transportation Advisory Board

January 2021

Ballot Question

Mesa voters authorized, on November 3, 2020, the City of Mesa to issue \$100M of General Obligation Bonds to fund transportation projects throughout the City

2020 Mesa Moves Bond Program Summary

\$100M + \$62M = \$162M

City of Mesa General Obligation Street Bond Maricopa Association of Governments (MAG) Funding

Total Available Funds For Transportation Projects

2020 Mesa Moves Bond Program Summary

City of Mesa General Obligation Street Bond

Regional Roadway Improvements

\$7.0M

Widen existing streets, improve intersection capacity and safety, and/or construct new arterial street segments that benefit the region

Arterial Road Reconstruction

Reconstruct street segments

Maricopa Association of Governments (MAG) Funding

Regional Roadway Improvements

Arterial Road Reconstruction

Reconstruct street segments

Active Transportation

Enhance bike and pedestrian network

\$4.0M

Reimbursement Total: \$62.0M

Arterial Roadway Reconstruction Projects

- Rebuild existing street segments that have reached the end of their useful life
- Americans with Disabilities Act (ADA) upgrades
- Staff has evaluated and prioritized street segments for reconstruction based on criteria such as safety, age, pavement condition, and repair history based on available funding

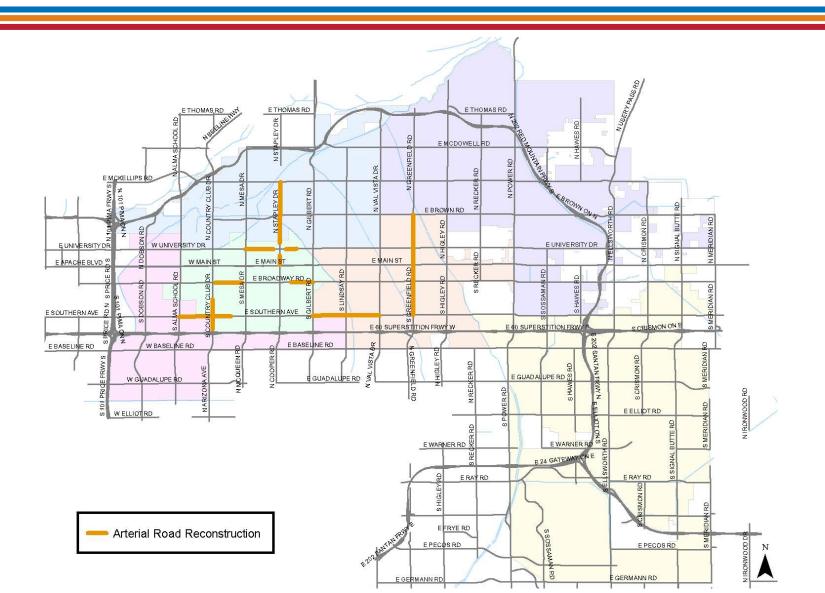

Arterial Roadway Reconstruction Projects

- Southern Avenue: Gilbert to Val Vista
- Southern Avenue: Alma School to UPRR
- **Stapley Drive:** University to McKellips
- University Avenue: Mesa Drive to Harris
- Greenfield Road: Southern to Main
- Greenfield Road: Main to Adobe
- Broadway Road: Stapley to Gilbert
- Broadway Road: Country Club to Mesa Drive

MESA MOVES

11

- Projects to enhance Mesa's bicycle and pedestrian network to promote connectivity and health
- Projects will be identified citywide and discussed through a public engagement process

Public Engagement Proposal

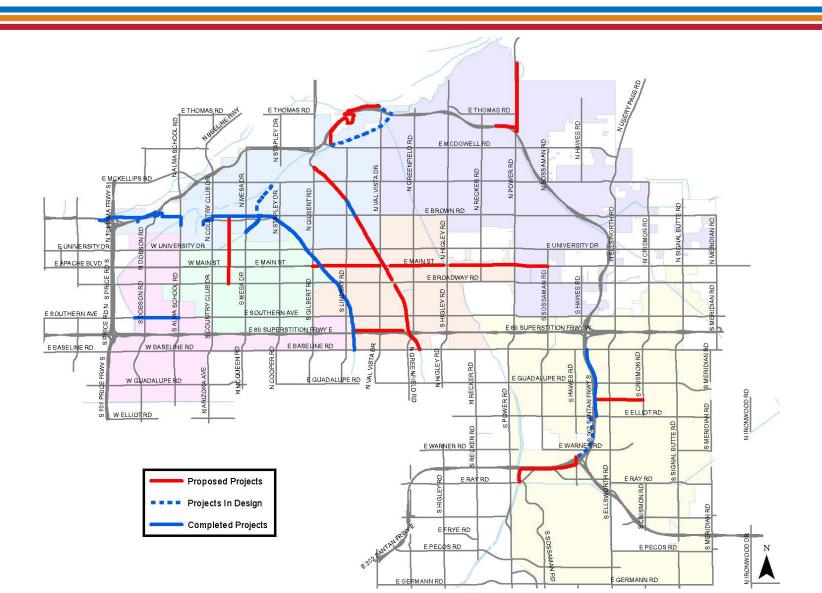

- Schedule
 - February/March 2021 Public Survey
 - March 16, 2021 TAB Meeting to Discuss Active Transportation Priorities
 - Spring 2021 Present Outcomes to City Council

Public Engagement Proposal

- High Level Survey
 - Types of active transportation projects
 - Prioritization of identified projects
- Utilize March TAB Meeting to receive feedback specifically relating to Active Transportation Projects
 - Receive public comments at meeting for those citizens wishing to express specific viewpoints
 - Receive direction from TAB members
