Informational Update on Recent Council Action:

At its September 29, 2016 meeting, the City Council acknowledged the receipt of the minutes of the July 19, 2016 Transportation Advisory Board meeting.

At its October 17, 2016 meeting, the City Council introduced an ordinance to decrease the speed limit from 30 mph to 25 mph on Main Street from Country Club Drive to Centennial Way/Sirrine, and on November 7, 2016, the City Council passed the ordinance (#5356). Since speed limits of 25 mph do not require a listing of the specific street segment in City Code, the speed limit reduction to 25 mph was addressed by modification of the 30 mph segment listed in Section 10-4-6.

The ordinance will be effective 30 days after adoption (December 6, 2016).
