A. There is hereby authorized the issuance and sale of \$50,380,000 City of Mesa, Arizona, Taxable Utility Systems Revenue Bonds, Series 2010 (Build America Bonds – Direct Pay). The Series 2010 Bonds issued pursuant to this Twenty-First Supplemental Resolution shall never be construed to be tax secured bonds of the City, as defined in A.R.S. § 9-521, or general obligation bonds of the City within the meaning of A.R.S. The Series 2010 Bonds shall be post-2002 Bonds for all purposes of the Master Resolution. The Series 2010 Bonds shall have no claim on or right to share in the pre-2003 Reserve Funds.

B. The Series 2010 Bonds are special obligations of the City payable solely from the Net Revenues and secured as to the payment of the principal and redemption price thereof, and interest thereon, in accordance with their terms, the Master Resolution, and this Twenty-First Supplemental Resolution. Subject to the provisions of Section 10(B) of the Master Resolution, the Net Revenues are hereby pledged and assigned as security for the payment of the principal and redemption price of, and interest on the Series 2010 Bonds. All Net Revenues shall be immediately subject to the pledge of the Master Resolution, this Twenty-First Supplemental Resolution and all other resolutions amending the Master Resolution, without any physical delivery thereof or further act, and the lien of this pledge shall be valid and binding as against all persons having claims of any kind in tort, contract or otherwise against the City, irrespective of whether such persons have notice thereof. Nothing contained in this section shall be construed as limiting any authority granted in the Master Resolution to issue Parity Bonds nor shall be deemed a limitation upon the issuance of bonds, notes or other obligations under any law pertaining to the City which are secured by moneys, income and funds other than the Net Revenues and other moneys and investments pledged hereunder.

Section 5. Terms of Bonds.

A. Terms. The Series 2010 Bonds shall be dated the date of initial delivery, and shall mature on the date and in the amount and shall bear interest at the rate shown on the bid of the Winning Bidder as shown on Exhibit B attached hereto and incorporated by reference herein. The Series 2010 Bonds shall be initially issued in fully registered book-entry-only form in denominations equal to the maturity amount under the book-entry-only system (the "*Book-Entry-Only System*") of The Depository Trust Company ("*DTC*"). If the Book-Entry-Only System is discontinued, the Series 2010 Bonds shall be re-issued and delivered to the respective Beneficial Owners in the denomination of \$5,000 or any integral multiple thereof, shall bear interest from the most recent January 1 or July 1 to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from their date, which interest shall be payable semiannually on January 1 and July 1 of each year during the term of each of the Series 2010 Bonds, commencing on January 1, 2011.

B. Book-Entry-Only System. So long as the Series 2010 Bonds are administered under the Book-Entry-Only System, interest payments and principal payments that are part of periodic principal and interest payments shall be paid to Cede & Co. or its registered assigns in same-day funds no later than the time established by DTC on each interest or principal payment date (or in accordance with then existing arrangements between the City and DTC). The Letter of

Representations heretofore entered into between the City and DTC shall apply to the Series 2010 Bonds so long as the Series 2010 Bonds are administered under the Book-Entry-Only System.

C. Registration. If the Book-Entry-Only System is discontinued, the Bond Registrar's (as defined hereafter) registration books will show the registered owners of the Series 2010 Bonds (collectively, the owner or owners of the Series 2010 Bonds as shown on the Registrar's registration books shall be referred to as "*Owner*" or "*Owners*"). While the Series 2010 Bonds are subject to the Book-Entry-Only System, the Series 2010 Bonds shall be registered in the name of Cede & Co., or its registered assigns. The Series 2010 Bonds will be administered by the Bond Registrar in a manner which assures against double issuance and provides a system of transfer of ownership on the books of the Bond Registrar in the manner set forth in the Series 2010 Bonds.

D. Payment. If the Book-Entry-Only System is discontinued, interest on the Series 2010 Bonds will be payable on each Interest Payment Date by check mailed to the Owner thereof at the Owner's address all as shown on the registration books maintained by the Registrar as of the close of business of the Registrar on the fifteenth (15th) day of the month preceding an Interest Payment Date (the "*Record Date*").

If the Book-Entry-Only System is discontinued, principal of the Series 2010 Bonds will be payable, when due, only upon presentation and surrender of the Series 2010 Bonds at the designated office of a bank or trust company to be designated as the successor Bond Registrar to the Deputy City Manager. If the Book-Entry-Only System is discontinued, then, upon written request of a registered owner of at least \$1,000,000 in principal amount of Series 2010 Bonds not less than twenty (20) days prior to an Interest Payment Date, all payments of interest and, if adequate provision for surrender is made, principal shall be paid by wire transfer in immediately available funds to an account within the United States of America designated by such Owner.

Notwithstanding any other provision of this Twenty-First Supplemental Resolution, payment of principal of and interest on any Series 2010 Bond that is held by a securities depository or Series 2010 Bonds subject to the Book-Entry-Only System may be paid by wire transfer in "same day funds".

Section 6. Redemption.

A. Optional Redemption Prior to Maturity. The Series 2010 Bonds are subject to call for redemption prior to maturity, at the option of the City, in whole or in part, on July 1, 2021, or on any date thereafter, by the payment of a redemption price equal to the principal amount of each Series 2010 Bond called for redemption plus accrued interest to the date fixed for redemption, but without premium.

No Series 2010 Bond may be called for optional redemption prior to maturity if after such redemption any matured Series 2010 Bonds or interest payments shall be and remain unpaid or any Policy Costs shall remain due and unreimbursed.

The Series 2010 Bonds shall be redeemed by lot, as selected by the Paying Agent, and only in integral multiples of \$5,000.

B. Extraordinary Optional Redemption. If the Series 2010 Bonds are sold as Taxable Bonds, the Taxable Bonds are subject to redemption prior to maturity at the option of the

City, in whole or in part on any date in the event that the government of the United States of America evidences, in the sole judgment of the City, by action or failure to act, its unwillingness to provide for the direct payments to be made to the City in an amount equal to or greater than thirty-five percent (35%) of the interest payable on such Taxable Bonds on any interest payment date. The extraordinary redemption price will be the greater of (a) the principal amount of such Taxable Bonds to be redeemed; or (b) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of such Taxable Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which such Taxable Bonds are to be redeemed, discounted to the date on which such Taxable Bonds are to be redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate (described below) plus 100 basis points; plus accrued interest on such Taxable Bonds to be redeemed to the redemption date.

“Treasury Rate” means, as of the redemption date, the yield to maturity as of such redemption date of the United States Treasury securities with a constant maturity, as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two business days prior to the redemption date (excluding inflation indexed securities) (or, if such Statistical Release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to maturity; provided, however, that if the period from the redemption date to maturity is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used. The redemption price will be determined by an independent accounting firm, investment banking firm or financial consultant retained by the City at the City’s expense and such redemption price shall be conclusive and binding on the owners of the Taxable Bonds.

C. Notice of Redemption. So long as the Series 2010 Bonds are held under the Book-Entry-Only System, notices of redemption will be sent solely to DTC by telecopy or other electronic means. So long as the Bonds are held under the Book-Entry-Only System, the Bank shall notify DTC of a full or partial redemption or of an advance refunding of part of an outstanding bond at least two business days prior to the Publication Date. The Publication Date means no fewer than twenty (20) calendar days and no more than sixty (60) calendar days prior to the redemption date or, in the case of an advance refunding, the date that the proceeds are deposited into escrow (and, in the case of an advance refunding, an additional notice will be provided no later than twenty (20) calendar days prior to the refunding date). If the Book-Entry-Only System is discontinued, notice of any redemption will be given by the Registrar and Paying Agent on behalf of the City by mailing a notice of redemption by first class mail not less than thirty (30) days nor more than sixty (60) days prior to such redemption date to the Owner of each Series 2010 Bond to be redeemed at the address shown on the Bond Register or at such other address as may be furnished in writing by an Owner of a Series 2010 Bond to the Registrar and Paying Agent. Neither the failure of any Owner of the Series 2010 Bonds to receive a notice of redemption nor any defect therein will affect the validity of the proceedings for the redemption of Series 2010 Bonds as to which proper notice of redemption was given. Notice of redemption will also be sent to the Municipal Securities Rulemaking Board (the "MSRB"), currently through the MSRB's Electronic Municipal Market Access system.

If moneys for the payment of the redemption price and accrued interest are not held in separate accounts by the City or by a Paying Agent prior to sending the notice of redemption, such redemption shall be conditional on such moneys being so held on or prior to the date set for redemption and if not so held by such date, the redemption shall be cancelled and be of no force and effect. The notice of redemption shall describe the conditional nature of the redemption. If a

conditional redemption notice has been give and money sufficient to redeem all the Series 2010 Bonds or portions thereof called for redemption is not held in separate accounts by the City or by a Paying Agent on the day set for redemption, then such redemption shall be cancelled and be of no force and effect.

On the date designated for redemption by notice given as provided herein, the Series 2010 Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Series 2010 Bonds on such date, and, if moneys for payment of the redemption price and accrued interest are held in separate accounts by the Paying Agent, interest on such Series 2010 Bonds or portions of Series 2010 Bonds so called for redemption shall cease to accrue, such Series 2010 Bonds shall cease to be entitled to any benefit or security hereunder and the Owners of such Series 2010 Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and accrued interest and such Series 2010 Bonds shall be deemed paid and no longer Outstanding

The prior redemption terms for any Parity Bonds shall be set forth in the Supplemental Resolution authorizing such series of Parity Bonds.

D. Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the Series 2010 Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Series 2010 Bonds on such date, and, if moneys for payment of the redemption price are held in separate accounts by the Paying Agent, interest on such Series 2010 Bonds or portions of Series 2010 Bonds so called for redemption shall cease to accrue, such Series 2010 Bonds shall cease to be entitled to any benefit or security hereunder and the owners of such Series 2010 Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and such Series 2010 Bonds shall be deemed paid and no longer outstanding.

E. Redemption of Less Than All of a Bond. The City may redeem an amount which is included in a Series 2010 Bond in the denomination in excess of, but divisible by, \$5,000. In that event, except as otherwise provided for Series 2010 Bonds held in the Book-Entry-Only System, the registered owner shall submit the Series 2010 Bond for partial redemption and the Paying Agent shall make such partial payment and the Registrar shall cause to be issued a new Series 2010 Bond in a principal amount equal to the unpaid amount remaining on such Series 2010 Bond after the redemption to be authenticated and delivered to the registered owner thereof.

Section 7. Form of Series 2010 Bonds. Pursuant to A.R.S. § 35-491, a fully registered bond form is adopted as an alternative to the form of bond provided in A.R.S. § 9-529. So long as the Book-Entry-Only System is in effect, the Series 2010 Bonds shall be in substantially the form of Exhibit A attached hereto and incorporated by reference herein, with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby and are approved by those officers executing the Series 2010 Bonds; execution thereof by such officers shall constitute conclusive evidence of such approval. If the Book-Entry-Only System is discontinued, the Series 2010 Bonds shall be reissued to the respective Owners and transferred in substantially the form of Exhibit A with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby and are approved by those officers executing the Series 2010 Bonds; execution thereof by such officers shall constitute conclusive evidence of such approval.

The Series 2010 Bonds may have notations, legends or endorsements required by law, securities exchange rule or usage. Each Series 2010 Bond shall show both the date of the issue and the date of such Series 2010 Bond's authentication and registration. The Series 2010 Bonds are prohibited from being converted to coupon or bearer form without the consent of the Council and approval of bond counsel.

Section 8. Application of Revenues.

A. The Deputy City Manager responsible for financial services (formerly, the City Financial Services Manager) created the following special funds and accounts to be held in trust for the Owners or the City, as the case may be, and expended as provided in the Master Resolution:

Section 9. Disposition of Series 2010 Bond Proceeds. Immediately upon closing of the Series 2010 Bonds, the proceeds from the sale of the Series 2010 Bonds shall be disposed of as follows: (1) all accrued interest, together with such portions of any net original issue premium received as the Deputy City Manager shall direct, shall be deposited in the Bond Fund, and (2) the remaining proceeds shall be deposited in the Construction Fund and used to pay the costs and expenses of issuing the Series 2010 Bonds, including but not limited to any premium due the Bond Insurer and to provide for the improvements and extensions to the System for the purposes authorized in the ballots authorizing the Series 2010 Bonds.

Section 10. Award. The proposal of the Winning Bidder for the purchase of the Series 2010 Bonds is hereby accepted and the Series 2010 Bonds are hereby ordered sold to the Winning Bidder in accordance with the terms and conditions of the Notice Inviting Bids for the Purchase of the Series 2010 Bonds and the terms hereof.

The Bond Registrar is authorized and directed to authenticate the Series 2010 Bonds and to deliver the Series 2010 Bonds to or upon the Winning Bidder's order upon payment therefor and satisfaction of all conditions for delivery thereof in accordance with the terms of the sale.

Section 11. Resolution a Contract. The provisions of the Master Resolution, as amended and supplemented by the Supplemental Resolutions and this Twenty-First Supplemental Resolution, are deemed incorporated into the Series 2010 Bonds themselves and shall constitute a contract among the City, the Series 2010 Insurer, if any, the Reserve Fund Guarantor, if any, and the Owner or Owners and, after the issuance of any of the Series 2010 Bonds, no change, variation or alteration of any kind in the provisions of the Master Resolution or this Twenty-First Supplemental Resolution shall be made in any manner, except as provided in Sections 17 and Section 18 of the Master Resolution or until such time as all of the Bonds and interest due thereon have been paid in full.

To the extent applicable by provision of law, and to the extent this Twenty-First Supplemental Resolution constitutes a contract, this Resolution is subject to cancellation pursuant to A.R.S. Section 38-511, as amended, the provisions of which are incorporated herein as if herein fully set forth.

Section 12. Authorization of Certain Agreements. The City Manager, the Deputy City Manager, or the authorized representative of either is authorized and directed to execute, attest and deliver the following agreements:

- (1) The Continuing Disclosure Certificate; and
- (2) The Registrar Contract;

each in substantially the form on file with the City Clerk with such changes as may be approved by such officials whose signatures thereon shall be conclusive evidence of such approval, together with such other documents, certificates and agreements required to deliver the Series 2010 Bonds.

Section 13. Approval of Official Statement. The use and distribution of a Preliminary Official Statement dated May 10, 2010, in the form approved and "deemed final" (except for permitted omissions) by the Deputy City Manager for the purposes of Section 240.15c2-12, General Rules and Regulations, Securities Exchange Act of 1934 (the "*Disclosure Rule*") is hereby approved. The Deputy City Manager is authorized on behalf of the City and in such person's official capacity, to complete and execute an Official Statement relating to the Series 2010 Bonds with such modifications, changes and supplements as may be necessary to conform the Official Statement to the terms set forth herein and in the winning bid. The Deputy City Manager is authorized to deem the Official Statement final for all purposes of the Disclosure Rule.

The Mayor, the City Manager, the Clerk, the Assistant City Manager and the Deputy City Manager responsible for financial services are also authorized to sign and deliver, on behalf of the City, and in their official capacities, such certificates in connection with sale of the Series 2010 Bonds and the accuracy of the Official Statement and any amendments thereto as may, in their judgment, be necessary or appropriate.

Section 14. Additional Covenants. The City, in consideration of the purchase of the Series 2010 Bonds by the Owners thereof, covenants to take all actions and do all things within

its power to create, perfect and enforce the pledge of revenues supporting the Bonds and any additional Parity Bonds hereafter issued. The City further covenants and agrees to take all actions and do all things within its power to maintain the priority of the Owners of the Bonds as holding a first lien on the Net Revenues.

Section 15. Qualified Tax-Exempt Obligations. The Series 2010 Bonds are NOT "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the "*Code*").

Section 16. Ratification of Actions. All actions of the officers and agents of the City that conform to the purposes and intent of this Twenty-First Supplemental Resolution and the Master Resolution, and which further the issuance and sale of the Series 2010 Bonds, as contemplated by this Twenty-First Supplemental Resolution and the Master Resolution, whether heretofore or hereafter taken, shall be and are ratified, confirmed and approved.

Section 17. Election Under American Recovery and Reinvestment Act. The City hereby makes an irrevocable election, pursuant to Section 54AA(d)(1)(C) of the Code, to have Section 54AA apply to the Series 2010 Bonds so that the Series 2010 Bonds are Build America Bonds and an irrevocable election, pursuant to Section 54AA(g)(2)(B) of the Code, to have Subsection 54AA(g) apply to the Series 2010 Bonds, so that the City shall receive direct payments from the United States of the tax credit in the amount of 35% of the interest paid on the Series 2010 Bonds pursuant to Section 6431 of the Code. The Mayor, any member of Council, the Manager or the Deputy City Manager and all other officers and agents of the City are authorized to take any action, make any modification of the documents, enter into any agreements, make any election or certifications, modify the designated name of the Bonds and pay any costs necessary to provide for, or facilitate the issue and sale of the Bonds in such manner, and to comply with the requirements of the Code and the terms of the Bonds and any agreement related thereto.

Section 18. Maintain Qualified Build America Bond Status. In order to maintain the status of the Series 2010 Bonds as Qualified Build America Bonds and receive the amount to be paid by the United States as the 35% credit allowed under Section 6431 of the Code, the Mayor, any member of the Council, the Manager or the Deputy City Manager and all other officers and agents of the City are authorized to take any action within its power and authority which would, other than as a result of the application of Section 54AA of the Code, prevent the interest income on the Series 2010 Bonds from becoming includable in gross income for federal income tax purposes under either laws existing on the date of issuance of the Series 2010 Bonds or such laws as they may be modified or amended. To so comply, the Mayor, any member of the Council, the Manager or the Deputy City Manager and all other officers and agents of the City are authorized to comply with such requirements and are authorized to take any such action(s) as in the opinion of Gust Rosenfeld P.L.C. ("Bond Counsel") are necessary to prevent interest income on the Series 2010 Bonds from becoming includable in gross income for federal income tax purposes, other than as a result of the application of Section 54AA of the Code. Such requirements may include but are not limited to making truthful certifications and representations and giving necessary assurances; complying with all representations, covenants and assurances contained in certificates or agreements to be prepared by Bond Counsel; to pay to the United States of America any required amounts representing rebates of arbitrage profits relating to the Series 2010 Bonds; filing forms, statements and supporting documents as may be required under the federal tax laws; limiting the term of and yield on investments made with proceeds of the Series 2010 Bonds; and limiting the use of proceeds of the Series 2010 Bonds and property financed thereby.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and laws of the State of Arizona to exist, to occur and to be performed precedent to and in the issuance of this bond exist, have occurred and have been performed and that the series of bonds of which this is one, together with all other indebtedness of the City, is within every debt and other limit prescribed by the Constitution and laws of the State of Arizona.

This bond is one of a series of bonds in the aggregate principal amount of \$50,380,000 of like tenor except as to amount, maturity date, redemption provisions, interest rate and number, issued pursuant to the Constitution and laws of the State of Arizona including particularly Title 9, Chapter 5, Article 3, Arizona Revised Statutes, Resolution No. 6362 adopted by the Mayor and Council of the City on July 29, 1991, as amended and supplemented, and Resolution No. _____ adopted by the Mayor and Council of the City on May 20, 2010 (collectively, the "Bond Resolution"), for purpose of providing funds with which to make improvements to the utility systems (collectively, the "System") of the City and to pay all legal, financial consulting, financial, engineering and other necessary costs in connection therewith.

The bonds are payable as to both principal and interest from and secured by a prior and paramount lien and pledge of the revenues, proceeds and receipts to be derived by the City from the operation of the System, subject only to the payment of the reasonable and necessary cost of operating and maintaining the System. Reference is made to the Bond Resolution for a more complete statement of the provisions made to secure payment of the bonds, the revenues from which and conditions under which this bond is payable, statements of the terms under which the Bond Resolution may be modified, and the general covenants and provisions pursuant to which this bond is issued. Said income and revenues are required by the Bond Resolution to be fully sufficient to pay the cost of operating and maintaining the System and to pay the principal of and interest on this bond promptly as each becomes due and payable. The City has covenanted and does hereby covenant that it will fix and impose such rates and charges for the System's services rendered by the System and will collect and account for sufficient revenues to pay promptly the principal of and interest on this bond and all bonds on a parity with this bond. This bond and the interest hereon are enforceable exclusively from the revenues pledged thereto in the Bond Resolution and no owner hereof shall have the right to compel any exercise of the taxing power of the City to pay this bond or the interest hereon. This bond does not constitute an indebtedness or pledge of the general credit of the City within the meaning of any constitutional, charter or statutory provisions relating to the incurring of indebtedness. This bond is a post-2002 Bond, as defined in the Bond Resolution. As such, this bond has no claim against or right to share in the "pre-2003 Reserve Fund" which pertains only to bonds issued under the terms of the bond resolutions prior to January 1, 2003.

The bonds are subject to call for redemption prior to maturity, at the option of the City, in whole or in part on July 1, 2020, or on any date thereafter, by the payment of a redemption price equal to the principal amount of each bond called for redemption plus accrued interest to the date fixed for redemption, but without premium.

Notice of redemption of this bond will be transmitted to DTC by electronic means. Failure to properly give notice of redemption shall not affect the redemption of any bond for which notice was properly given.
