EXHIBIT 'A'

LEGAL DESCRIPTION: [Redacted]
The personal property owned by Save the Family Foundation consists of all household furnishings and refrigerators in each residential unit. Household furnishings consist of all furniture; lamps; bedding; linens; cleaning equipment and supplies; telephones; electronics; kitchen supplies including dishes, cookware, utensils, and microwave ovens; and other such personal furnishings provided by Save the Family for use by the tenants of each unit.

Because tenants are given household furnishings needed when they move into permanent housing, the inventory of personal property may fluctuate as households move into and out of each apartment and furnishings are replaced.
