Two Public Hearings will be held at the Housing and Community Development Advisory Board (HCDAB) meetings at 4:00 P.M. Tuesday December 5, 2023 and Wednesday, December 6, 2023. At these public meetings the Housing & Community Development Board and staff will hear application presentations from non-profit agencies for projects to be undertaken with federal funds. The public meeting process allows residents to actively participate in the priority setting process by providing feedback regarding the City of Mesa's potential projects for its Program Year 2024-25 Annual Action Plan. All interested City of Mesa residents are encouraged to attend.

Citizens of the City of Mesa are urged to attend public meetings conducted by the City of Mesa Housing and Community Development Division to discuss potential projects and activities for its Program Year 2024-25 for Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), HOME Investment Partnerships Program (HOME), Human Services projects.

Funding for the above-mentioned federal programs (CDBG, ESG, and HOME) are provided by the U.S. Department of Housing and Urban Development (HUD) and used for housing and community development activities that primarily benefit low- and moderate-income persons and assist in the prevention or elimination of slum or blighting influences.

Funding for the Human Services programs comes from the City's general fund and the ABC program, donations made by the public made through utility bill payments. These funds support programs and services that directly impact community safety services and encourage independence and self-sufficiency so that residents can fully realize economic and social opportunities.
