# The problem we are solving

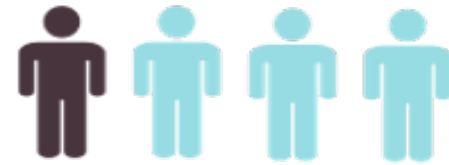

900 individuals age out of the foster care system annually in AZ alone.

More than half become homeless after age 18

**71%** of young women become pregnant by age

**21**

1 in 4 will experience PTSD, they are almost twice as likely to suffer from PTSD as U.S. war veterans.

**1/3** of homeless youth are victims of sex trafficking

**65%**

of children in foster care experience seven or more school changes from elementary to high school.

will earn a college degree

## CRIMINAL JUSTICE SYSTEM STATS:

**Age 17: 37%** will be involved in the criminal justice system

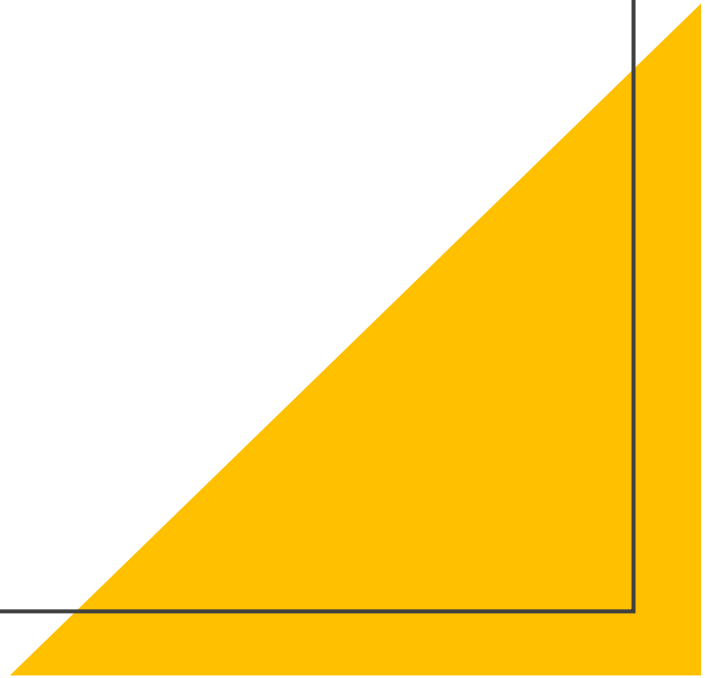

**Age 18: 24%** will be involved in the criminal justice system

**Age 19: 20%** will be involved in the criminal justice system

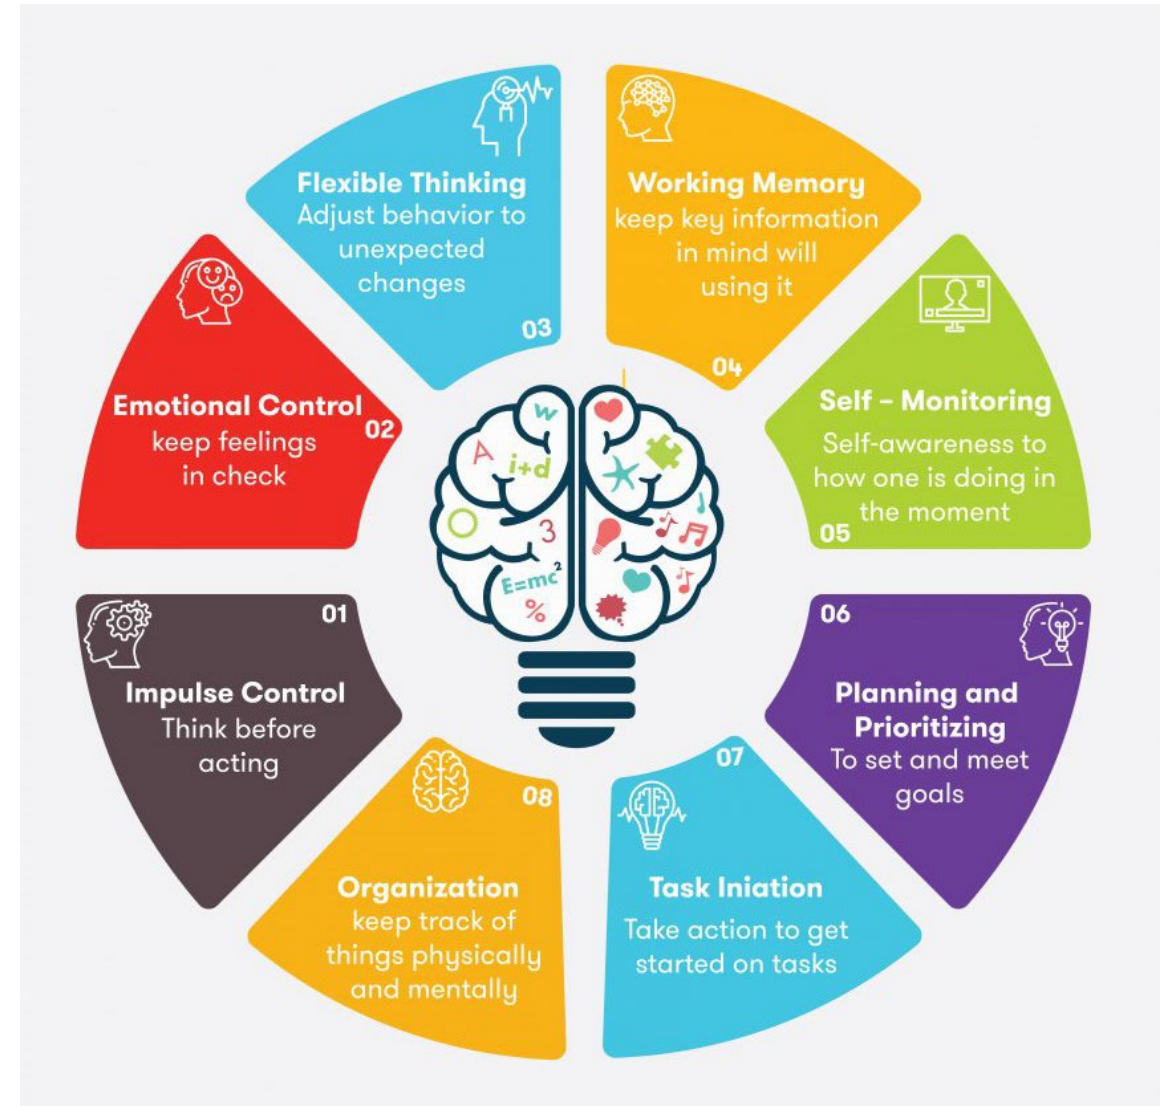

# Our Mission

- Foster360's mission is to break the cycle of homelessness and adversity for youth aging out of foster care by providing them with holistic wraparound services, empowering them with the necessary tools, education, and mindset to succeed in life while experiencing safe housing in a trauma-informed, community-centric and compassionate environment.

# Brain Injury in Foster Youth Population

- Over 50% of individuals who are homeless have a Traumatic Brain Injury
- Traumatic Brain Injury is an injury by force, i.e., domestic violence
- 85% of youth at Foster360 have an identified Brain Injury
- It effects Executive Functions
