### **Food Forest Idea:**

#### **520 Me Too's**

1. Does anything exist currently?
  - MUG Community Garden in Mesa, 212 E. 1<sup>st</sup> Ave.
  - <http://mesaurbangarden.org/>
2. Could we look at this in a larger scale?
  - Community Center dedicated to food forest, community garden, farmer's market
  - Acquisition of land?
  - Viewed the video on Imagine Mesa idea
3. City of Mesa staff can come back to the committee regarding the edible food/fruit and what type of options may be available and the resources and impacts.
4. Reviewed Items below the main idea to keep or remove:
  - Letter c. "Empty lots to be turned into food forests where residents can pick fruit off trees and pick veggies" *Remove, already exists*
  - Letter d. "community vegetable gardening plots, with guidance/workshops by master gardeners" Clarified this is City owned land leased to MUG and operated by MUG, a non-profit organization. *Remove, already exists.*
  - Letter k. "all new developers to include community gardens and compose areas in new neighborhoods" *Remove, not feasible.*
  - Letter f. "revolutionize our food supply using urban farming accelerators to create local, real food" *Remove, high effort.*
  - Idea 28. It is a requirement for all city property to have 50% edible landscaping. *Remove, not feasible.*
  - Letter g. Edible fruit scaping instead of only native trees, plant fruit trees too. Help the homeless and hungry. *Remove, already exists with MUG.*
  - Letter h. to see more veggie gardens. My garden is from November til April. Some begin in April. *Remove.*
  - Letter i. To start a community garden at Dobson Ranch! La Casita has a perfect space. *Remove, private community.*
  - Letter j. to be part of this process from its genesis. This can be so good, and the produce awesome. *Remove, more of a statement.*
  - Letter l. Large gardens like NPR facebook post. On the ground & could include tiny houses. *Remove.*

### **Free Bulk Pick-Up:**

## **178 Me Too's**

1. What is the effort and impact?
  - Staff will come back with presentation and explanation of the existing program, how it is programed into the utility bill.
  - Include Idea 8. The large metal city clean-up bins available to neighborhoods at least 4 times a year.

## **Mass Transit:**

### **88 Me Too's**

Agreed this infrastructure has been transformational and has a high impact in the community as well has high impact on resources.

1. Staff will prepare a presentation on Letter c. expanded light rail
2. Staff will prepare a presentation on Letter b., i, k.
  - What is the effort, cost, benefits beyond availability of mass transit?
3. Reviewed Items below the main idea to keep or remove:
  - Letter h., d. "youth (ages 6-18) to be able to take Valley Metro public transportation (bus or light rail) for free" *Remove, discounts exist.*
  - Letter e. water filling stations along the light rail and public areas. *Remove*
  - Letter f. to install solar powered bus stops to charge devices and other transit oriented development. *Remove, other devices exist.*
  - Letter g. a raffle contest to support businesses affected by light rail construction. *Removed, other programs already in place.*
  - Letter j. more free busses/shuttles to shopping centers. *Remove, not feasible. Downtown Buzz is unique to Title 6 and route requirements.*
  - Letter l. every bus stop to be climate controlled, to play multigenerational music. *Remove, not feasible.*

## **Other ideas reviewed to keep or remove:**

- Idea 4. Remove, not feasible
- Idea 5.
  - A. Remove. Many programs already exist and funded
  - B. Remove. **We can send a letter to let the schools know that Mesa has some recommendations on where to find the resources the idea refers to.**
  - C. Remove
- Idea 6.
  - Permanent facility under construction
  - Groundbreaking in late November 2018, 2412 N. Center.
  - Open 20 hours per week
  - **Send letter announcing the Permanent Facility to each of the Me Too's.**
- Idea 7.
  - **Staff to present on composting and food waste.**
- Idea 8.
  - Combined with Idea 2.
- Idea 9.

- How solar friendly is Mesa?
  - Mesa does have a solar rebate/incentive program for residential customers.
  - Bus and transit stops have solar powered lights.
  - **Staff to present on Solar on City street lights**
- Idea 10.
    - *Remove, already exists. LIHEAP.*
    - Send notification regarding this program.
  - Idea 11.
