OFFICERS PRESENT

Christopher Brady
Holly Moseley
Jim Smith

Mayor's Welcome.

Mayor Giles conducted a roll call.

Mayor Giles excused Councilmember Somers from the entire meeting.

Invocation by Pastor Jose Luis Amaya with Iglesia de Cristo Elim Betel Church.

Pledge of Allegiance was led by Mayor Giles.

Awards, recognitions, and announcements.

Mayor Giles provided an overview of the Trees are Cool initiative, pointing out the goal to plant one million trees around the City of Mesa (COM) by the year 2050. He announced the Arbor Day proclamation and introduced Energy/Water Conservation Coordinator Donna DiFrancesco.

Ms. DiFrancesco announced that the COM has been a Tree City USA for 14 years and highlighted the program details. She noted that more information, including the application requirements, can be located on the City's website. She reported that the award will be accepted tomorrow at the Arizona State Capital and thanked the Mayor and Councilmembers for their participation and commitment to this effort. She emphasized the Arbor Day events occurring in Mesa.

Mayor Giles pointed out Agenda Item 3-a, which is to appoint Judge Stephen Umpleby as the next Presiding City Magistrate and noted Judge Umpleby's leadership in the Mesa Municipal Court. He introduced Judge Umpleby and congratulated him on the appointment.

Judge Umpleby expressed his gratitude for the appointment.

1. Take action on all consent agenda items.

All items listed with an asterisk (*) will be considered as a group by the City Council and will be enacted with one motion. There will be no separate discussion of these items unless a Councilmember or citizen requests, in which event the item will be removed from the consent agenda and considered as a separate item. If a citizen wants an item removed from the consent agenda, a blue card must be completed and given to the City Clerk prior to the Council's vote on the consent agenda.

It was moved by Councilmember Freeman, seconded by Councilmember Spilsbury, that the consent agenda items be approved.

Upon tabulation of votes, it showed:

AYES – Giles–Heredia–Duff–Freeman–Goforth–Spilsbury
NAYS – None
ABSENT – Somers

Mayor Giles declared the motion carried unanimously by those present.

5. Take action on the following contracts:

- *5-a. Central Mesa Reuse Pipeline Plant - Construction Manager at Risk (CMAR), Guaranteed Maximum Price (GMP) No. 2 of 3. **(Districts 1, 3, and 6)**

GMP No. 2 includes the construction for the plant improvements at the Northwest Water Reclamation Plant (NWWRP), the Southeast Water Reclamation Plant (SEWRP), the Greenfield Water Reclamation Plant (GWRP), and 36" pipe connections to the proposed Intermediate Pump Station (IPS).

Staff recommends awarding a contract to Garney Companies in the amount of \$9,789,760.00 (GMP No. 2) and authorizing a change order allowance amount of \$489,488.00 (5%), for a total amount of \$10,279,248. This project is funded by the Water Utility Systems Revenue Obligations

- *5-b. Central Mesa Reuse Pipeline Inspection - Guaranteed Maximum Price (GMP) No. 5 of 6. **(District 1)**

This GMP No. 5 includes the testing and inspection of an existing reclaimed water pipeline in Val Vista Drive from Quenton Drive to Thomas Road. It also includes the construction of new air release valves and access manways along the same pipe segment to allow for future maintenance and pipe inspection.

Staff recommends awarding a contract to Garney Companies in the amount of \$2,500,050.50 (GMP No. 5) and authorizing a change order allowance amount of \$125,002.50 (5%), for a total authorized amount of \$2,625.053. This project is funded by the Water Utility Systems Revenue Obligations.

- *5-c. Sossaman Road: Ray to the South Side of Loop 202. **(District 6)**

This project is for the construction of Sossaman Road from Ray Road to south side of the Loop 202 as part of the AirPark 202 development corridor. This section includes crossing under Loop 202 and building vehicular bridges over two existing ADOT flood channels. Completion of this section will provide an important access route for developers on the north and south side of Loop 202.

Staff recommends awarding a contract for this project to Hunter Contracting, Co, in the amount of \$4,501,111.90, and authorizing a change order allowance in the amount of \$450,000.00 (10%), for a total amount of \$4,951,111.90. This project is funded by 2020 Street Bonds, of which 70% is eligible for reimbursement through Proposition 400 and is part of the Arterial Life Cycle Program (ALCP).

- *5-d. Use of a Cooperative Contract with an Initial Term of 27 Months and Renewal Options for 911 System Replacement and Support Services for the Mesa Police Department and Fire Communications. **(Citywide)**

The City of Mesa has been contracting with the City of Phoenix to provide 911 services throughout the Maricopa Region 911 (MR911) office since 1985. On January 4, 2024, the Maricopa Association of Governments (MAG) 911 Study Committee voted to proceed with the transition to the State contract for regional 911 services which will result in the conclusion of the contractual agreement with the City of Phoenix to provide 911 services. With the emergence of virtualized call services, data centers, and Next Generation 911 technology, the efficacy of the MR911 model has changed. Contracting

with the State of Arizona Department of Administration's contracted provider has emerged as the next preferred service model given new technologies and resource constraints.

The Department of Innovation and Technology, the Mesa Police Department, the Mesa Fire and Medical Department, and Procurement Services recommend authorizing the purchase using the State of Arizona contract with AT&T at \$1,700,000 for the first year and \$950,000 annually for subsequent years with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.

- *5-e. Additional Scope and Dollar Limit Increase to the Term Contract for Tree Pruning, Removal, and Other Related Services for the Parks, Recreation and Community Facilities and Energy Resources Department. **(Citywide)**

This contract provides tree pruning, removal, and other related services, including emergency services for the Parks, Recreation, and Community Facilities Department. Energy Resources currently has a contract for Line Clearance, Tree Trimming, and Removal Services that is due to expire on June 30, 2024. Energy Resources would like to be added to this contract.

The Parks, Recreation and Community Facilities Department and Procurement Services recommend increasing the dollar limit with West Coast Arborists by \$110,000 from \$1,057,000 to \$1,167,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.

- *5-f. Dollar Limit Increase for Additional Work and Two-Year Renewal to the Term Contract for Roofing Repairs and Installation Services for the Parks, Recreation, and Community Facilities Department (PRCF). **(Citywide)**

This contract allows for the equipment, materials, and transportation necessary for the installation, repair, or replacement of various roofing systems maintained by PRCF. The department has several locations where roof repairs are needed due to cycle replacement. The locations for these projects are the Brown Road Water Treatment Plant; Transportation; Northwest Water Reclamation Plant; Greenfield Water Reclamation Plant; East Mesa Service Center; Senior Center; Kellwood Electric Substation; Arizona Museum of Natural History Annex; Hobson Storage; Main Library; and Parks Storage Annex. Funding is currently available in the appropriate department budgets.

The PRCF and Procurement Services recommend increasing the dollar limit with Foam Experts Roofing, Inc. (a Mesa business); Progressive Services, Inc. dba Progressive Roofing; and Sprayfoam Southwest, Inc. dba Global Roofing Group, for Year 3 by \$2,000,000, from \$500,000 to \$2,500,000; and authorizing the renewal at \$2,500,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.

- *5-g. Three-Year Term Contract with Two Years of Renewal Options for Asphalt Materials for the Transportation Department (Single Response). **(Citywide)**

The Transportation Department utilizes asphalt materials for repairs and maintenance of city parking lots and roadways.

The Transportation Department and Procurement Services recommend awarding the contract to the single, responsive, and responsible bidder, Calmat Co. dba Vulcan Materials, at \$900,000 annually, with an annual increase allowance of up to 5%, or the adjusted Producer Price Index.

- *5-h. Use of a Cooperative Contract with an initial term of 26-Months and Renewal Options for Refuse Truck Body Repair Services for the Fleet Department. **(Citywide)**

The City of Mesa manages a fleet of over 80 refuse trucks, some of which will require repairs during their lifetime. The City performs in-house repairs but sometimes requires contractors to service its refuse trucks when Original Equipment Manufacture repairs are required or when City staff are unable to take on additional work. Fleet Services is requesting to use seven (7) of the City of Phoenix vendors. Multiple vendors will help to perform these services when city staff are unable to.

The Fleet Services Department and Procurement Services recommend authorizing the purchase using the City of Phoenix contract with American Equipment; AMREP Manufacturing, Co.; Balar Equipment; BTE Body Co.; Short Equipment; Spartan Truck Manufacturing; and Terrific Trucks and Equipment at \$300,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.

6. Take action on the following resolutions:
