Vice Mayor Heredia conducted a roll call.

Vice Mayor Heredia excused Mayor Giles from the entire meeting.

1. Review and discuss items on the agenda for the June 17, 2024, Regular Council meeting.

All of the items on the agenda were reviewed among Council and staff and the following was noted:

Conflict of interest: None

Items removed from the consent agenda:

Responding to a request from Councilmember Somers, Deputy City Manager Marc Heirshberg displayed a PowerPoint presentation related to Item 7-b, **(A resolution making findings required by A.R.S. § 9-500.11 (Version 2) for the City to enter into an Amended and Restated Pre-Annexation Development Agreement meeting the definition of “a retail development tax incentive agreement” with BCB Group Investment, LLC for the development of improvements on a property of approximately 127 +/- acres of real property within the jurisdictional limits of Mesa, AZ and 27 +/- acres of property located in Maricopa County, AZ outside of the jurisdictional limits of Mesa, AZ, generally located at the corner of South Signal Butte Road and East Williams Field Road for the project known as the “Destination at Gateway.” (District 6)), and Item 7-c, (A resolution approving and authorizing the City Manager to enter into an Amended and Restated Pre-Annexation Development Agreement with BCB Group Investment, LLC, for the development of a**

mixed-use project known as “Destination at Gateway” on approximately 127 +/- acres of real property within the jurisdictional limits of Mesa, AZ and 27 +/- acres of property located in Maricopa County, AZ outside of the jurisdictional limits of Mesa, AZ, that is the subject of zoning case ZON19-00805, and that is generally located at the corner of South Signal Butte Road and East Williams Field Road. The Development Agreement meets the definition of a “retail development tax incentive agreement” under A.R.S. §9-500.11 (Version 2). (District 6)), on the Regular Council meeting agenda. (See Attachment 1)

Mr. Heirshberg identified the location of the proposed Destination at Gateway project and highlighted the structure of the proposed Development Agreement (DA). He explained the proposed Limited Reimbursement program and the parameters and requirements for public infrastructure to be eligible for reimbursement. He outlined the infrastructure that is considered public infrastructure for the proposed property as well as the potential annexed property. (See Pages 2 through 6 of Attachment 1)

Mr. Heirshberg gave a detailed explanation of the limitations on reimbursement, agreement use restrictions, and required design elements. (See Pages 7 through 9 of Attachment 1)

Responding to a question from Councilmember Somers, Mr. Heirshberg confirmed that the 2018 DA had no limitations on the number of drive-thru restaurants allowed to be constructed and confirmed that the proposed amended DA caps the amount to a total of five.

City Attorney Jim Smith confirmed that all the limitations noted in this presentation have been added to the proposed DA, except for the minimum of 60% of commercial and maximum of 40% of multiple residences which was in the original document. He also elaborated on the car wash use requirements.

In response to a question from Councilmember Somers, Mr. Heirshberg confirmed that Berge is responsible for the public road improvements that are currently under construction and the reimbursement will be subject to meeting the requirements in the new DA.

Discussion ensued regarding the details of the DA.

City Manager Christopher Brady thanked the Berge and Horne families for investing in Mesa. He announced the projected sales tax revenues that will be generated from the project, indicating that the rebate amount will be less than the revenues. (See Page 11 of Attachment 1)

Responding to a question from Vice Mayor Heredia, Assistant City Manager Scott Butler confirmed that should Proposition 479 pass by the voters, the improvements to Highway 24 would be expected to happen quickly.

Vice Mayor Heredia thanked staff for the presentation.

In response to a question from Councilmember Duff, Deputy City Manager Candace Cannistraro supplied information about Item 5-d, **(Approving and authorizing the City Manager to enter into a 20-year lease agreement with Mesa Historical Society (MHS) for land located at 2331 North Horne. The land is adjacent to the Mesa Historical Museum with the intent to sub-lease to a charter school, providing both income for and partnership with the museum. (District 1))**, on the Regular Council meeting agenda.

Ms. Cannistraro confirmed that the property adjacent to the Mesa Historical Museum is owned by the City. She said the proposed agreement is a 20-year extension of an existing agreement with the Mesa Historical Society to allow them to continue subleasing the property to the charter school.

Responding to a question from Councilmember Duff, Assistant Planning Director Rachel Nettles supplied information regarding Item 6-c, **(ZON23-00982 "Dave Downing Associates Warehouse." (District 4) Within the 200 block of South Hibbert (west side). Located north of Broadway Road and west of Mesa Drive (2± acres). Rezone from Downtown Business 2 (DB-2) and Downtown Residence 2 (DR-2) to Downtown Business 2 with a Bonus Intensity Zone overlay (DB-2-BIZ), Council Use Permit, and Major Site Plan Modification. This request will allow for a warehouse development. JD Filter Properties LLC, owner; Kenzi Architects, applicant.)**, on the Regular Council meeting agenda.

Ms. Nettles confirmed that that the Planning and Zoning Board is aware of the neighbor's concern about property access and electrical issues. She stated that the City has an agreement with the property owners and staff has confirmed that no walls have been proposed to date but an existing fence will be replaced. She advised that staff is looking into the electrical concern.

In response to a question from Councilmember Freeman, Assistant Police Chief Ed Wessing provided an overview of Item 4-a, **(Five-Year Term Contract for Axon On-Body Camera (OBC) Equipment, Conducted Electrical Weapons (CEW) and Supplies and Supplies and Evidence Storage for the Mesa Police Department (Sole Source). (Citywide))**, on the Regular Council meeting agenda and displayed a PowerPoint presentation. **(See Attachment 2)**

Assistant Chief Wessing introduced Deputy Director Patrick Phelps and explained that the existing contract with Axon is up for renewal and that new technology for tasers and body cameras have been offered as part of the new agreement. He indicated that the pricing has been increasing by 15% per year and the new agreement secures pricing at one rate for five years. He explained the enhanced features of the new technology and expressed the need for updated software to fill the large number of public record requests received due to the redaction requirements. (See Page 2 of Attachment 2)

Assistant Chief Wessing emphasized the importance of the new technology and provided details about improvements that have been made to the effectiveness, accuracy and range of tasers. He added details about the holster tracking and reporting devices and explained that this will provide exact data for each user.

Discussion ensued regarding the new technology and the cost of the equipment.

Vice Mayor Heredia thanked staff for the presentation.

2-a. Hear a presentation, discuss, and provide an update on the annual agreement with Visit Mesa.

Deputy City Manager/Chief Financial Officer Mike Kennington displayed a PowerPoint presentation. **(See Attachment 3)**

Mr. Kennington advised that the existing agreement with Visit Mesa is expiring June 30, 2024, and confirmed that a new agreement has been drafted for Council review. He provided an overview of the Fiscal Year (FY) 24/25 agreement updates. He outlined the next steps, indicating that if the agreement is approved it will go into effect July 1, 2024. (See Pages 2 through 5 of Attachment 3)

Responding to a question from Councilmember Freeman, Mr. Kennington confirmed that the new Destination Marketing Agreement (DMA) will add a DMA Executive Director to the Board and one position to the executive committee, noting that there are currently two board members that are City staff. He reported that there are currently 30 members on the board and that the updated agreement is good for one year.

Mr. Brady reported that the reason for the one-year contract is that the consultant is still working on the project; once the assessment is complete, an amendment will be submitted for Council approval.

Additional discussion ensued regarding the DMA board membership and the partnership with the City.

Vice Mayor Heredia thanked staff for the presentation.

(Vice Mayor Heredia declared a recess at 8:41 a.m. The meeting reconvened at 8:49 a.m.)

2-b. Hear a presentation, receive an update, and discuss a Capital Campaign Donor's naming rights for the i.d.e.a. Museum's outdoor Atrium.

Director of Arts and Culture Richard Parison displayed a PowerPoint presentation. **(See Attachment 4)**

Mr. Parison provided an outline of the i.d.e.a. Museum Capital 'Experience' Campaign and reported its overwhelming success, highlighting a generous donation from Dr. Ruth Tan Lim. He provided the details of the gift and explained that upon her death the Museum's Outdoor Atrium will be named after her and her deceased husband, Mr. Andrew C.G. & Dr. Ruth Tan Lim Outdoor Atrium. He described the features of the atrium, including the murals and interactive experiences. (See Pages 2 and 3 of Attachment 4)

Mr. Parison illustrated the campaign progress and the goal of raising \$2.5 million. He mentioned the current pledge amount is just over \$1.5 million. (See Page 4 of Attachment 4)

Vice Mayor Heredia thanked staff for the presentation.

2-c. Hear a presentation and discuss the City's proposed Trap-Neuter-Return (TNR) Program for feral cats.

Animal Control Supervisor Shannon Gross introduced Animal Control Officer II Miguel Hernandez and displayed a PowerPoint presentation. **(See Attachment 5)**

Mr. Hernandez explained the Trap Neuter Return (TNR) program that begins with the participant trapping a cat, taking it to a veterinary facility to be spayed/neutered, and then returning the cat

to its neighborhood or colony. He reported that this program has reduced the cat population and has improved the overall health of neighborhoods. He confirmed the efforts made by staff, which included outreach to neighborhoods and veterinarian clinics for assistance. (See Pages 2 and 3 of Attachment 5)

Ms. Gross noted that Mesa has 179 traditional neighborhoods and Animal Control receives 1,532 calls annually regarding feral cats. She summarized the TNR program and reviewed the guidelines. She stated that once a neighborhood lead is assigned, they are provided the traps; once the cats are in custody, they will be directed to participating veterinarian offices and provided vouchers for services. (See Pages 4 and 5 of Attachment 5)

Ms. Gross reported the program costs, indicating the total one-time costs of \$45,000 and the total ongoing costs of \$347,000 with a total program start-up cost of \$445,000. She pointed out that once staff is hired and trained, a program start date will be confirmed. (See Page 6 of Attachment 5)

Responding to a question from Councilmember Freeman, Ms. Gross reported that several neighboring cities are also starting TNR programs. She confirmed that staff have been communicating with several different veterinarians in Mesa and a basic contract is being drafted to ensure the expectations and costs.

Additional discussion ensued regarding the program parameters.

Vice Mayor Heredia thanked staff for the presentation.

2-d. Appointments to various boards and committees.

It was moved by Councilmember Freeman, seconded by Councilmember Spilsbury, that the Council concur with the Mayor's recommendations and the appointments be confirmed. **(See Attachment 6)**

ECONOMIC DEVELOPMENT

DESTINATION AT GATEWAY

June 6, 2024

Location

South of Williams Field
Road on the east and
west sides of Signal
Butte Road

Development Agreement

Big Picture

The Agreement is structured around two major topics:

- Limited Reimbursement for certain public infrastructure: focused on Signal Butte and Williams Field road improvements
- Use Restrictions and Design Elements: to facilitate quality and compatibility

Limited Reimbursement

Reimbursement for eligible public infrastructure up to \$14.4 million if Developer completes all of the following:

- Public infrastructure improvements completed and dedicated to the City by April 1, 2028
- Required right-of-way dedications by April 1, 2028
- First new car dealership operating and open for business to the public by July 1, 2029

Infrastructure Eligible for Reimbursement

PROPOSED PROPERTY

Requires investment in public infrastructure that includes:

- Pavement
- Curb, gutter, and sidewalks
- Storm Drain
- Streetlights
- Traffic Signals
- Utilities
 - Sewer Line
 - Water Line

Infrastructure Eligible for Reimbursement

POTENTIAL ANNEXED PROPERTY

Requires investment in public infrastructure that includes:

- Pavement
- Curb, gutter, and sidewalks
- Storm Drain
- Streetlights
- Traffic Signals
- Utilities
 - Sewer Line
 - Water Line

Limitations on Reimbursement

- Sales tax reimbursement equal to 50% of the 1.2% non-dedicated general fund sales taxes received by City that are generated by the operations of the dealership(s), including sales, parts, and taxable portions of service centers
 - City of Mesa total sales tax rate is 2%
 - Reimbursement does not include any tax funds dedicated for Streets and Maintenance (0.3%), Quality of Life (0.25%) and Public Safety (0.25%)
 - Motorcycle dealership tax reimbursed only after two new car dealerships are open for business to public
- Reimbursement capped at \$14.4 million and will only cover the actual cost of public improvements constructed and dedicated to the City that meet DA requirements
- The incentive period is 12 years and begins when the first new car dealership opens
- The incentive period can be extended up to three times for a period of three years per extension for each subsequent new car dealership - maximum of 21 years

Agreement Use Restrictions

- Minimum of 60% commercial
- Maximum of 40% multiple residence and restricted locations on property (DA Exhibit D-1 depicts area multiple residence is prohibited)
- Use Restrictions:
 - auto service/repair shops (allowed with dealership, limitations/prohibitions when principal use)
 - service stations (one allowed as principal use)
 - car washes (not allowed as principal use, allowed with dealership),
 - stand alone food/beverage drive-thrus – maximum of 5
 - mini-storage prohibited

Agreement Design Elements

- Prior to the approval of any site plan, Developer must submit comprehensive design guidelines “demonstrating high-quality architectural design” to the City that are subject to review by DRB and approval by the Planning Director
- Limits on the use of public address systems at vehicle dealerships adjacent to single family residential—a noise study is required to show that the PA system does not increase the existing noise level at the single-family residential property line
- Shielding on lighting that emits at a 150-wattage equivalent (23 LED watts) will be fully shielded at vehicle dealerships to minimize impact to nearby properties

Project Economic Impact Analysis

- Revenues to the City:

The project would generate a significantly greater amount of sales tax revenues than the total amount of the rebate

ONE DEALERSHIP - Estimated Sales Tax	
Reimbursement to Developer by 2034	\$2.9M
Revenues to City by 2034	\$7.2M
EIGHT DEALERSHIPS - Estimated Sales Tax	
Reimbursement to Developer by 2034	\$14.4M
Revenues to City by 2034	\$42.9M

Additional dealerships would increase revenues to the City during the 12-year period in proportion to the year in which they are built.

Visit Mesa Tourism & Destination Marketing FY 24/25 Agreement

June 6, 2024

City Council Study Session

Mike Kennington, Deputy City Manager/Chief Financial Officer

Tourism & Destination Marketing

- The City has an agreement with Visit Mesa for the promotion of tourism and destination marketing in Mesa.
- Arizona Revised Statute (“A.R.S.”) § 9-500.06 requires that the transient lodging tax (“TLT”) be expended for the promotion of tourism either directly by the City or by a nonprofit organization that promotes tourism.
- The City has a “Destination Mesa Team” with key staff and roles identified to support the work and ongoing communication with Visit Mesa.

FY 24/25 Agreement Updates

- Maintain the City’s Parks, Recreation & Commercial Facilities Department Director and Economic Development Director on the Visit Mesa Board of Directors (“VM Board”).
- Allow for an additional Executive Board Member to the VM Board as designated and selected by the City Manager.
- Allow for the appointment of the Downtown Mesa Association (“DMA”) Executive Director to the VM Board.
- Limit voting rights to only VM Board members not employed by Visit Mesa.

FY 24/25 Agreement Updates

- Formalize promotion and support for DMA downtown special events.
- Limit marketing and promotions to activities, programs, and properties within the Mesa city limits (with reasonable exceptions).
- Open meeting practices that allow for VM Board and Executive Committee meetings to the public and timely posting of agenda notices.
- In the subsequent VM agreement, include recommended bylaw changes proposed by the Coraggio Group in consultation with and by the mutual approval of the City.

Next Steps

- Visit Mesa Board approved contract on May 10, 2024
- For City Council Consideration on June 17, 2024
 - If approved, will go into effect July 1, 2024
- City of Mesa Destination Team and Visit Mesa Board and staff will work together to identify future agreement terms
