City Attorney Jim Smith and City Manager Christopher Brady provided the background of the project and clarified the details of the bond. Mr. Smith elaborated on the Fifth Amendment that was previously approved by Council.

Mr. Brady pointed out that negotiations have been occurring to reconcile the original agreement to meet the best interest of the overall public, such as providing additional park area for all Mesa citizens, not only those living in Eastmark. He noted that the CFDs provide amazing amenities for the citizens of Mesa.

Eric Tune, a representative with Brookfield Properties, discussed negotiations with the City related to the Disc Golf and Skate Park. He said both were originally intended to be public spaces, not specific to the Eastmark Development, and the agreement negotiated dedication of the park property to the City at no cost.

In response to a question from Councilmember Somers, Zach Sakas, Special Council for the District, clarified that the CFD is not a party to the Fifth Amendment agreement but that it is between the City and the Developer.

Chairperson Giles thanked Ms. Miller for her input and summarized the discussion points. He voiced his support for the project.

It was moved by Boardmember Freeman, seconded by Vice Chairperson Heredia, that CFD EM2 Resolution No. 26 be adopted.

Upon tabulation of votes, it showed:
