How we prepare for a successful registration day

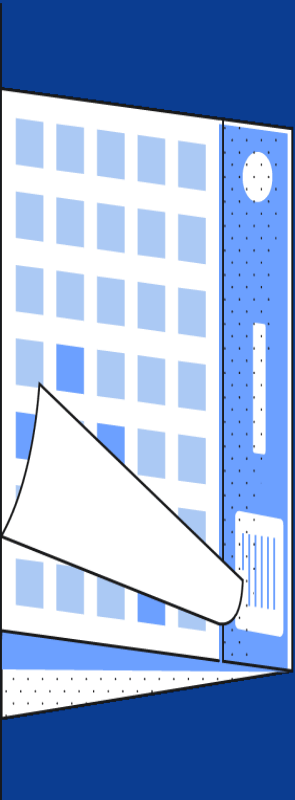

Auditing for Quality and Accuracy

We verify prices, descriptions, dates, and scholarship opportunities to ensure all information is accurate and transparent for visitors

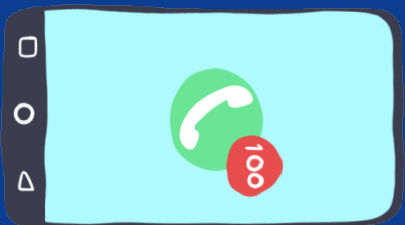

Program Support

Our team ensures programs open on time! We coordinate with various teams to answer questions and ensure a seamless experience for all participants and visitors.

Communication

Maintaining accurate records is essential for our operations. We communicate effectively across all departments and ensure customers are receiving the most up to date information.

Equity and Access

The front desk collaborated with marketing and IT to ensure that phone, online options, registration forms, and promotional materials are available in both English and Spanish.
