

## Notice about Economic Development Advisory Board Meetings

Economic Development Advisory Board meetings operate on a hybrid system. Public participants are welcome to attend in person or listen via video conference platform.

We believe that providing access for citizens to communicate with the board is vital for a strong representative local government.

### Members of the public can address the Board in the following ways:

- **Speak in person** – Participants may complete a blue comment upon arrival at the meeting or [download a copy of comment card \[PDF\]](#) and hand in at the meeting.
- **Speak virtually** – Members of the public who attend a regular meeting virtually are welcome and encouraged to participate by speaking **on a specific agenda item**; however, the opportunity to address the Board during “Items from Citizens Present” will not be available virtually as it is reserved for those who are present at the meeting, attending in person.
  - Submit an [online comment card](#) at **least 1 hour prior to the start of the meeting**.
  - **Phone number is required on the form.** Participants who want to speak can attend a meeting via the video conference platform link below. Participants will be unmuted when it is their turn to speak.
