

Future Transportation Bond Program

Transportation Advisory Board
September 2025

Mesa Voter Investments In Transportation

- 2012 Parks Bond: \$5.9M for active transportation projects
- 2013 Streets Bond: \$79.1M for transportation projects
- 2018 Parks Bond: \$6.4M for active transportation projects
- 2020 Mesa Moves Bond: \$100M for transportation projects

 **All funding is fully obligated**

Preparing For A Future Bond Election

Project recommendations will come from the following:

- **Mesa Bicycle Master Plan (2018)**
- **Long Range Analysis and Prioritization of Select Intersections (2021)**
- **Transportation Master Plan (2024)**
- **Comprehensive Safety Action Plan (2025)**
- **Capital Improvement Program**
- **Unfunded 2020 Mesa Moves Program**
- **Proposition 479 Projects**

Future Bond Program - Proposed Types of Projects

Regional Roadway Improvements

- Intersection focused
- Segment focused

Active Transportation Projects

- Shared Use Paths
- On-Street facilities (includes facilities behind curb)

Safety Improvements

- Spot treatments
- Systemic treatments (citywide safety measures)

Arterial Roadway Reconstruction

Why We Are Here Today

We want your input

- Priority areas for improvement
- Gaps in active transportation (bike/ped) network
- Safety hotspots (higher-risk intersections, speeding concerns, etc.)
- Regional connections that support growth
- Community concerns you've heard

How to provide suggestions

- Comment during today's meeting
- Submit written feedback to sabine.king@mesaaz.gov by Sep. 30, 2025

Questions/Discussion
