TRANSIT MASTER PLAN

Transportation Advisory Board

November 15, 2022

Project Purpose

- Identify types of transit services, facilities, programs, and system features to meet the needs of Mesa residents for both the short and long term.
- Develop an activity center-to-activity center plan that identifies high priority corridors and routes.
- Coordinate planning efforts with Transportation Master Plan, Housing Master Plan, and General Plan.
- Gauge the community's interest and need for transit services in Mesa.
