F. The Amended and Restated Development Agreement, the First Amendment to Amended and Restated Development Agreement, the Second Amendment to Amended and Restated Development Agreement, and the Third Amendment to Amended and Restated Development Agreement are referred to collectively in this Lease as the “Development Agreement.”

G. Pursuant to the Development Agreement, Tenant agreed to construct certain improvements and to conduct redevelopment activities on the Land, which were referred to collectively in the Development Agreement as Second Market Rate Project (and which are now referred to in this Lease as the “Project”).

H. In consideration of Tenant’s completion of the undertakings in the Development Agreement, and in further recognition of the direct, tangible benefits to be received by the Landlord as a result of Tenant’s performance under the Development Agreement (including, but not limited to, the construction of the Project), and the conveyance of the Land and the Improvements to Landlord by Tenant, Landlord has agreed to lease the Land and Improvements to Tenant, and Tenant has agreed to lease the Land and Improvements from Landlord, on the terms and conditions set forth in this Lease.

I. Tenant, as Developer under the Development Agreement, and in compliance with the terms and conditions of the Development Agreement, has conveyed the Land and Improvements to Landlord, so that title to the Land and the Improvements has vested in Landlord.

J. It is intended by Landlord and Tenant that this Lease be subject to the provisions of A.R.S. § 42-6201 et seq.

K. It is intended by Landlord and Tenant that Landlord is a “Government Lessor” as defined in A.R.S. § 42-6201.

L. It is intended by Landlord and Tenant that the Improvements on the Land, whether presently existing or to be constructed in accordance with the Development Agreement, are intended to be Government Property Improvements for all purposes as defined in A.R.S. § 42-6201.

4. **Lease of the Premises.**

A. **Premises.** Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, upon and in consideration of the terms and conditions contained in this Lease, (i) all surface and subsurface rights on and above the Land, all as more particularly described in Exhibit A attached to and incorporated into this Lease, and (ii) all Improvements presently situated on the Land, or which may be constructed on the Land hereafter by Tenant (collectively, "Premises"); subject, however, to:

Tenant acknowledges that it has designed and constructed the Improvements, and has owned the Land and Improvements prior to their conveyance to Landlord; and by executing this Lease and entering onto the Premises, accepts the Premises in their as-is, where-is condition and unconditionally releases Landlord from any liability with respect to the condition of the Premises.

C. **Term.** The term of this Lease ("Term") shall commence on the date of the first certificate of occupancy issued for any Improvements constructed on the Land ("Commencement Date"), and notwithstanding the actual date of conveyance of the Land and Improvements by Tenant to Landlord, and shall expire at 12:00 midnight on the last day of the Rental Period, unless this Lease is sooner terminated as hereinafter provided. A. **Net Rent.**

(1) **Net Annual Rental.** Tenant will pay to Landlord, in collected funds and at the addresses specified or furnished pursuant to Section 24, during the term of this Lease net annual rental ("Net Rent") in the amount of \$10,000.00. The amount of Net Rent reflects the fact that Tenant owned the Land and Improvements prior to the conveyance of the Land and Improvements to Landlord at no cost to Landlord and is intended to compensate Landlord for Landlord's administrative and other expenses in maintaining this Lease, rather than reflect fair market rental value.

(2) **Annual Installments.** All payments of Net Rent will be made in annual installments, in advance, without notice, commencing on the Commencement Date, and on each anniversary of the Commencement Date, during the Term.

(3) **Other Payments and Obligations.** Net Rent will be in addition to all of the other payments to be made by Tenant and other obligations to be performed by Tenant, as hereinafter provided.

B. **Rent Absolutely Net.** It is the purpose and intent of the Landlord and Tenant that Net Rent payable hereunder will be absolutely net to Landlord so that this Lease will yield to Landlord the Net Rent herein specified, free of any charges, assessments, Impositions, or deductions of any kind charged, assessed, or imposed on or against the Premises and without abatement, deduction or set-off by the Tenant, and Landlord will not be expected or required to pay any such charge, assessment or Imposition or be under any obligation or liability hereunder except as herein expressly set forth, and that all costs expenses, and obligations of any kind relating to the maintenance and operation of the Premises, including all construction, alterations, repairs, reconstruction, and replacements as hereinafter provided, which may arise or become due during the term hereof will be paid by Tenant; and Tenant will indemnify, defend, pay and hold harmless Landlord for, from and against any and all such costs, expenses, and obligations in accordance with Section 16.

C. **Non-Subordination.** Landlord's interest in this Lease, as the same may be modified, amended or renewed, will not be subject or subordinate to (a) any mortgage now or hereafter placed upon Tenant's interest in this Lease or the Premises, or (b) any other liens or encumbrances hereafter affecting Tenant's interest in this Lease or the Premises. Tenant may subject Tenant's leasehold interest in this Lease in accordance with the terms of Section 20.

D. **No Release of Obligations.** Except for either a mutual release and waiver of rights and liabilities arising under this Lease or to the extent expressly provided in this Lease, no happening, event, occurrence, or situation during the Rental Period, whether foreseen or unforeseen, and however extraordinary (including, without limitation, Tenant's failure, refusal, or inability for any reason to operate and maintain the Project) shall permit the Tenant to quit or surrender the Premises or this Lease nor shall it relieve the Tenant of its liability to pay the Net Rent and Additional Payments and other charges under this Lease, nor shall it relieve the Tenant of any of its

other obligations under this Lease (including, but not limited to, Tenant's obligation to indemnify Landlord); provided, however, Tenant has the right to terminate this Lease as provided in this Lease including, but not limited to, the termination rights in Section 4(C).

7. **Additional Payments.**

A. **Additional Payments.** To the extent such payment are due during the Term, Tenant shall pay directly and be solely responsible for ("Additional Payments"), without notice and without abatement, deduction or setoff, all sums, impositions, costs, expenses and other payments and all taxes (including personal property taxes and taxes on rents, leases or occupancy, if any, and government property improvement lease excise tax), assessments, special assessments, enhanced municipal services district assessments, water and sewer rents, rates and charges, charges for public utilities, excises, levies, licenses, and permit fees, any expenses incurred by Landlord on behalf of Tenant pursuant to this Lease, and other governmental or quasi-governmental charges, general and special, ordinary and extraordinary, foreseen and unforeseen, of any kind and nature whatsoever which, at any time during the Term hereof may be assessed, levied, confirmed, imposed upon, or grow or become due and payable out of or with respect to, or become a lien on, the Premises or any part thereof, or any appurtenances thereto, any use or occupation of the Premises, or such franchises as may be appurtenant to the use of the Premises (all of which are sometimes herein referred to collectively as "Impositions" and individually as an "Imposition"). However, if, by law, any Imposition may at the option of the Tenant be paid in installments (whether or not interest shall accrue on the unpaid balance of such Imposition), Tenant may exercise the option to pay the same (and any accrued interest on the unpaid balance of such Imposition) in installments and in such event, shall pay such installments as they become due during the Term hereof before any fine, penalty, further interest or cost may be added thereto.

B. **Rental Taxes.** Tenant shall pay to Landlord, with and in addition to the rental payments, all taxes imposed by any governmental unit on Net Rent and Additional Payments received by Landlord. Tenant shall pay all other Impositions directly to the taxing authority or authorities.

C. **Payments in Lieu.** Because of the applicability to this Lease of GPLET as defined in Section 7(G), Tenant recognizes and acknowledges that the removal of the Land and Improvements from the ad valorem tax rolls may reduce revenue to local school districts. Accordingly, and in order to address such reduction in revenue, Tenant, in lieu of payment of such ad valorem taxes, will make a one-time, lump sum payment directly to the Maricopa Community College District, Mesa Public School District, and East Valley Institute of Technology District (collectively, the "School Districts") as follows:

Maricopa Community College District	\$5,365.00
Mesa Public School District	\$28,149.00
East Valley Institute of Technology District	\$195.00

Total	\$33,709.00
-------	-------------

The in lieu payment must be paid within fourteen days of Tenant's execution of this Lease, shall be non-refundable, and shall not be off-set against any Payments due under this Lease. Tenant, concurrently with its in lieu payment must provide evidence of the payment to Landlord. The termination of this Lease at any time prior to the expiration of the Rental Period will not entitle Tenant to a refund of any portion of the in lieu payment.

D. Contest. Tenant, if it shall so desire, and at its sole cost and expense, may contest the validity or amount of any Imposition, in which event, Tenant may defer the payment thereof during the pendency of such contest or Tenant shall first pay the Imposition under protest if legally required as a condition to such protest and contest. Tenant shall not, in the event of and during the bona fide prosecution of such protest or proceedings, be considered in default with respect to the payment of such Imposition.

E. Assessment Reduction. Tenant, at its sole cost and expense, may seek at any time to obtain a lowering of an imposition or assessment upon the Premises for the purpose of reducing the amount thereof. However, in such event, Landlord will not be required to cooperate with Tenant and may in fact oppose such endeavor. Tenant shall be authorized to collect any refund payable as a result of any proceeding Tenant may institute for that purpose and any such refund shall be the property of Tenant to the extent to which it may be based on a payment made by Tenant.

F. Hold Harmless. Landlord shall not be required to join in any action or proceeding referred to in Section 7(D) (unless required by law or any rule or regulation in order to make such action or proceeding effective, in which event any such action or proceeding may be taken by Tenant in the name of the Landlord only with Landlord's prior written consent). Tenant hereby agrees to indemnify, defend, pay and hold Landlord harmless for, from and against any and all costs, expenses, claims, loss or damage by reason of, in connection with, on account of, growing out of or resulting from, any such action or proceeding.

G. Government Property Lease Excise Tax. As required under A.R.S. §42-6206, Tenant is hereby notified of its potential tax liability under the Government Property Lease Excise Tax provisions of A.R.S. §42-6201, *et seq* ("GPLET").

(1) Failure of Tenant to pay the tax if and when due and after an opportunity to cure is an Event of Default that could result in the termination of Tenant's interest in this Lease and of its right to occupy the Premises.

(2) In accordance with A.R.S. §42-6209(B), Tenant will notify the Maricopa County Treasurer and Landlord and apply for the abatement before the taxes under A.R.S. §42-6201 *et seq.* are due and payable in the first year after the certificate of occupancy is issued.

(3) Notwithstanding the foregoing, or any other term of this Lease (including, but not limited to, the Recitals to this Lease), Landlord does not represent, warrant or guarantee that the benefits provided by GPLET, including but not limited to any abatement of GPLET during any portion of the Term, will be available or in effect at any time during the Term. The benefits provided by GPLET are not a condition to the effectiveness of this Lease or Tenant's obligations under this Lease; and the nonexistence or failure of GPLET to be maintained, or any changes in or amendments to GPLET, will not be a default by Landlord. In the event that GPLET is no longer available, or the provisions of GPLET are modified to the extent that Tenant believes that this Lease no longer provides the benefits intended by Tenant, then either Landlord or Tenant may terminate this Lease, subject to Tenant's obligations of indemnity that survive the termination of this Lease, in which event the Land and Improvements will be conveyed to Tenant by Landlord as though Tenant had exercised the Purchase option granted in Section 34.

H. SID 228. Tenant further agrees to make an annual, lump-sum in-lieu payment to the Downtown Mesa Association in the amount that would have been assessed by SID 228 and paid by Tenant if Tenant were the fee owner of the Land and Improvements. Landlord (or the Downtown Mesa Association) will determine the amounts of such annual in-lieu payments, and Tenant will pay to the Downtown Mesa Association that amount within thirty (30) days of Tenant's receipt of an invoice for each such amount.

8. Insurance.

A. Tenant Obligation to Insure. Tenant shall procure and maintain for the duration of this Lease, at Tenant's own cost and expense, insurance against casualty to or loss of the Premises and against claims for injuries to persons or damages to property which may arise from or in connection with this Lease by the Tenant, its agents, subtenants, employees, contractors, licensees or invitees in accordance with the insurance requirements set forth in Exhibit B attached hereto. Notwithstanding the foregoing, in the event of casualty to the Project (whether or not such casualty is insured or fully insured with respect to the cost of restoration), Tenant must either promptly repair, restore or rebuild the Project to its pre-casualty condition or, within sixty (60) days of such casualty, exercise its option to repurchase the Premises pursuant to Section 34.

B. Failure to Maintain Insurance. If Tenant fails or refuses to provide a copy of the renewal insurance certificates, together with evidence of payment of premiums therefor, or otherwise fails or refuses to procure or maintain insurance as required by this Lease, Landlord shall have the right, at Landlord's election, and without notice, to procure and maintain such insurance. The premiums paid by Landlord shall be due and payable from Tenant to Landlord on the first day of the month following the date on which the premiums were paid. Landlord shall give prompt notice of the payment of such premiums, stating the amounts paid and the names of the insurer(s) and insured(s). The lapse or cancellation of any policy of insurance required herein, in whole or in part for the benefit of Landlord, is an Event of Default. No cure of such default can be accomplished unless a new or renewed policy is issued which specifically provides the required coverage for any liability arising during the lapsed or previously uncovered period.

C. Relationship to Obligations to Indemnify Landlord. Tenant's obligation to maintain insurance is in addition to, and not in lieu of, Tenant's obligation of indemnity set forth in Section 11(C), Section 16, Section 33, and elsewhere in this Lease.

9. **Reserved.**

10. **Landlord's Performance For Tenant.** If Tenant shall fail to pay any Imposition or make any other payment required to be made under this Lease or shall default in the performance of any other covenant, agreement, term, provision, limitation, or condition herein contained, following any applicable Notice required by Section 24, Landlord, without being under any obligation to do so and without thereby waiving such default, may make such payment and/or remedy such other default for the account and at the expense of Tenant, immediately and without any additional notice after any applicable Notice required by Section 24 is satisfied. Any payment, cost, or expense by Landlord in connection therewith, including reasonable attorney's and administrative fees, shall immediately become due and payable as Additional Payments.

11. **Uses And Maintenance.**

A. Absence of Warranties. Tenant, as the prior owner of the Land and the party that constructed (or caused the construction of) the Improvements, now leases the Premises after a full and complete examination of the Premises, as well as the title and knowledge of its present uses and all restrictions on use. Tenant accepts the same in the condition or state in which they exist as of the Commencement Date without any representation or warranty, express or implied in fact or by law, by Landlord and without recourse to Landlord, as to the title, the nature, condition, or usability of the Premises or the use or uses to which the Premises or any part thereof may be put. Landlord shall not be required to furnish any services or facilities or to make any repairs or alterations in or to the Premises or to provide any off-site improvements, such as utilities or paving, or other forms of access to the Premises, other than what may already exist on the Commencement Date, or that Landlord has agreed to provide in the Development Agreement, throughout the Term hereof. Tenant hereby assumes the full and sole responsibility for the condition, construction, operation, repair, demolition, replacement, maintenance, and management of the Premises, including but not limited to the performance of all burdens running with the Land.

B. Permitted Uses. Tenant agrees that it shall use the Premises only for those purposes and uses described in the Development Agreement as the Second Market Rate Project. In no event shall the Premises (or any part) be used for any purpose (i) prohibited by any Applicable Laws, (ii) prohibited by this Lease, or (iii) that would bring shame, disrepute or opprobrium upon Landlord, its Council members and officials. Regardless of the uses which would otherwise be allowed pursuant to the zoning classification or other ordinances which may be applicable to the Premises at any time during the Rental Period, the uses set forth in Exhibit C are expressly prohibited. Any permitted use that involves the handling, production and/or storage of Hazardous Materials on the Premises shall be subject to all applicable federal, state and local laws rules and regulations.

C. Maintenance, Repairs, and Indemnity. Tenant, at its sole cost and expense, shall take good care of the Premises, make all repairs thereto, interior and exterior, structural and nonstructural, ordinary and extraordinary, foreseen and unforeseen, and shall maintain and keep the Premises and the sidewalks, curbs, and landscaping in commercially acceptable order. It is the intent of Landlord and Tenant that this Lease be an “absolute net lease” to Landlord; and Landlord has absolutely no obligation during the Term for the maintenance, repair, or replacement of the Premises or the Project (or any part thereto).

D. Tenant’s Failure to Maintain or Repair. In the event Tenant fails to maintain and repair the Premises in the condition required by Section 11(C) of this Lease, Landlord, upon thirty (30) days written notice to Tenant, may terminate this Lease in accordance with Section 21(G).

E. Alterations. Tenant must comply with all Applicable Laws and obtain all required permits and governmental approvals prior to erecting any structure, making any improvement, or doing any other construction work on the Premises or altering, modifying, or making additions, improvements, or repairs to or replacements of any structure, now existing or built at any time during the Term hereof. In the event of any failure on the part of Tenant to comply with this requirement, Landlord may terminate this Lease in accordance with Section 21 (G).

12. Compliance with Applicable Laws.

A. Tenant Obligations. Tenant shall timely assume and perform any and all obligations of Landlord under any covenants, easements, and agreements affecting the title to the Premises and shall diligently comply with, at its own expense during the Term hereof, all present and future laws, acts, rules, requirements, orders, directions, ordinances, and/or regulations, ordinary or extraordinary, foreseen or unforeseen, concerning the Premises or any part thereof, or the use thereof, or the streets adjacent thereto, of any federal, state, municipal, or other public department, bureau, officer, or authority, or other body having similar functions (“Applicable Laws”), or of any liability, fire, or other insurance company having policies outstanding with respect to the Premises, whether or not such laws, acts, rules, requirements, orders, directions, ordinances and/or regulations require the making of structural alterations or the use or application of portions of the Premises for compliance therewith or interfere with the use and enjoyment of the Premises, the intention of the Parties being with respect thereto that Tenant, during the Term hereby granted, shall discharge and perform all the obligations of Landlord, as well as all obligations of Tenant, arising as aforesaid, and indemnify, defend, pay and hold Landlord harmless for, from and against all such matters, so that at all times the rental of the Premises shall absolutely be net to the Landlord without deduction or expenses on account of any such law, act, rule, requirement, order direction, ordinance and/or regulation whatever it may be; provided, however, that Tenant may, in good faith (and wherever necessary, in the name of, but without expense to and with the prior written permission of, Landlord), contest the validity of any such law, act, rule, requirement, order, direction, ordinance and/or regulation that does not require the payment of money and, pending the determination of such contest, may postpone compliance therewith, except that Tenant shall not so postpone compliance therewith, as to subject Landlord to the risk of any fine or penalty or to prosecute for a crime, or to cause the Premises or any part thereof to be condemned, vacated, untenable or uninsured.

B. Certificate of Occupancy. Tenant, at its sole cost and expense, shall obtain any certificate of occupancy with respect to the Premises which may at any time be required by any governmental agency having jurisdiction thereof.

13. **Ownership and Operation Of Premises.**

A. Ownership of Improvements.

(1) During Term. During the Term, title to Premises is vested in Landlord free and clear of all liens, claims, encumbrances and conditions.

(2) Ownership at Termination. Subject to Section 34 of this Lease, on the expiration or sooner termination of this Lease, title to the Premises will automatically, and without further act required, be vested in Tenant.

B. Tenant's Management and Operating Covenant. During the Term, Tenant shall prudently manage and operate (or cause to be managed and operated) the Project, in accordance with the requirements of this Lease and all Applicable Laws.

14. **Impairment Of Landlord's Title.**

A. No Liens. Tenant shall not create, or suffer to be created or to remain, and shall promptly discharge any mechanic's, laborer's, or materialman's lien which might be or become a lien, encumbrance, or charge upon the Premises or any part thereof or the income therefrom and Tenant will not suffer any other matter or thing arising out of Tenant's use and occupancy of the Premises whereby the estate, rights, and interests of Landlord in the Premises or any part thereof might be impaired.

B. Discharge. If any mechanic's, laborer's, or materialman's lien shall at any time be filed against the Premises or any part thereof, Tenant, within thirty (30) days after notice of the filing thereof, shall cause such lien to be discharged of record by payment, deposit, bond, order of court of competent jurisdiction or otherwise. Tenant shall notify Landlord in writing of its action to either satisfy or contest the lien and, if contested, of the matter's status on a monthly basis until concluded. If Tenant shall fail to cause such lien to be discharged within the period aforesaid, then, in addition to any other right or remedy, Landlord may, but shall not be obligated to, discharge the same either by paying the amount claimed to be due or by procuring the discharge of such lien by deposit or by bonding. Any amount so paid by Landlord and costs and expenses incurred by Landlord in connection therewith, shall constitute an Additional Payment payable by Tenant and shall be paid by Tenant to Landlord on demand.

C. No Implied Consent. Nothing contained in this Lease shall be deemed or construed in any way as constituting Landlord's expressed or implied authorization, consent or request to any contractor, subcontractor, laborer or materialman, architect, or consultant, for the construction or demolition of any improvement, the performance of any labor or services or the furnishing of any materials for any improvements, alterations to or repair of the Premises or any part thereof.

D. No Agency Intended. The Parties acknowledge that Tenant is entitled to occupy and operate the Premises. Accordingly, the Parties agree that Tenant is not the agent of Landlord for the construction, alteration or repair of any improvement Tenant may construct upon the Premises, the same being done at the sole expense of Tenant.

15. Reserved.

16. Indemnification of Landlord.

A. Indemnification. Tenant shall indemnify, defend, pay and hold Landlord, its Council members, officers, employees and agents (collectively, "Landlord Indemnified Parties") harmless for, from and against any and all liabilities, suits, obligations, fines, damages, penalties, claims, costs, charges and expenses, including property damage, personal injury and wrongful death and further including, without limitation, architects' and attorneys' fees and disbursements, which may be imposed upon or incurred by or asserted by third parties against Landlord Indemnified Parties by reason of any of the following occurring during the term unless caused by the sole, active negligence of the Landlord Indemnified Parties:

(1) construction of any Improvements constituting the Project or any other work done therein, on or about the Premises or any part thereof by Tenant or its agents;

(2) any use, nonuse, possession, occupancy, alteration, repair, condition, operation, maintenance or management of the Premises or Improvements;

(3) any nuisance made or suffered on the Premises or Improvements;

(4) any failure by Tenant to keep the Premises or Improvements, or any part thereof, in a safe condition;

(5) any acts or omissions of the Tenant or any subtenant or any of its or their respective agents, contractors, employees, licensees or invitees;

(6) any fire, accident, injury (including death) or damage to any person or property occurring in, on or about the Premises or any part thereof;

(7) any failure on the part of Tenant to perform or comply with any of the covenants, agreements, terms or conditions contained in this Lease;

(8) any lien or claim which may be alleged to have arisen against or on the Premises or improvements or any part thereof or any of the assets of, or funds appropriated to, Landlord or any liability which may be asserted against Landlord with respect thereto to the extent arising, in each such case, out of the acts of Tenant, its contractors, agents, subtenants;

(9) any failure on the part of Tenant to keep, observe, comply with and perform any of the terms, covenants, agreements, provisions, conditions or limitations contained in the

subleases or other contracts and agreements affecting the Premises or improvements or any part thereof, on Tenant's part to be kept, observed or performed;

(10) any transaction relating to or arising out of the execution of this Lease or other contracts and agreements affecting the Premises or improvements, the Project or any part thereof or any activities performed by any party, person or entity which are required by the terms of this Lease or such other contracts and agreements;

(11) any tax, including any tax attributable to the execution, delivery or recording of this Lease, with respect to events occurring during the term of this Lease; and

(12) any loss of or reduction in state shared monies arising in connection with a claim brought or maintained under A.R.S. §41-194.01 to the extent that Tenant prevents or delays any termination of this Lease pursuant to Section 30(O) of this Lease.

B. Tenant will hold all goods, materials, furniture, fixtures, equipment, machinery and other property whatsoever on the Premises and improvements at the sole risk of Tenant and indemnify, defend, pay and hold Landlord harmless for, from and against any and all loss or damage thereto by any cause whatsoever.

C. The obligations of Tenant under this Section shall not in any way be affected by the absence in any case of covering insurance or by the failure or refusal of any insurance carrier to perform any obligation on its part to be performed under insurance policies affecting the Premises.

D. If any claim, action or proceeding is made or brought against Landlord by reason of any event to which reference is made in this Section, then, upon demand by Landlord, Tenant, at its sole cost and expense, shall resist or defend such claim, action or proceeding in Landlord's name, if necessary, by the attorneys for Tenant's insurance carrier (if such claim, action or proceeding is covered by insurance), otherwise by such attorneys as Landlord shall approve, which approval shall not be unreasonably withheld or delayed.

E. The provisions of this Section 16 shall survive the expiration or earlier termination of this Lease.

17. **Damage Or Destruction.**

A. **Tenant Repair and Restoration.** If, at any time during the Term, the Premises or any part thereof shall be damaged or destroyed by fire or other occurrence of any kind or nature, ordinary or extraordinary, foreseen or unforeseen, Tenant must elect in writing within ninety (90) days after such damage or destruction, either: (i) to continue this Lease in full force and effect, and Tenant, at Tenant's sole cost and expense, shall rebuild or repair the Premises so damaged or destroyed (subject in all events to Landlord's right to terminate this Lease as set forth in Section 17(B)); or (ii) to terminate this Lease and exercise Tenant's option to repurchase the Premises pursuant to Section 34. Such repair, alteration, restoration, replacement, or rebuilding, including such changes and alterations as aforementioned and including temporary repairs for the protection of other property

pending the completion of any thereof, are sometimes referred to in this Section as the "Work." Anything herein to the contrary notwithstanding, Tenant shall immediately secure the Premises and undertake temporary repairs and work necessary to protect the public and to protect the Premises from further damage. Under no circumstances shall Landlord be obligated to make any payment, reimbursement, or contribution towards the cost of the Work.

B. Failure to Commence Repairs. If the Work shall not have been commenced within one hundred and eighty (180) days after the date of the damage or destruction, or if such Work after commencement shall not proceed expeditiously or is not completed within twenty four (24) months after commencement of the Work, Landlord may terminate this Lease pursuant to Section 21 and quitclaim the Land and all Improvements to Tenant.

C. Lease Obligations Continue. In no event shall Tenant be entitled to any abatement, allowance, reduction, or suspension of rent because part or all of the Premises shall be untenantable owing to the partial or total destruction thereof. No such damage or destruction shall affect in any way the obligation of Tenant to pay the rent, Additional Payments, and other charges herein reserved or required to be paid, nor release Tenant of or from obligations imposed upon Tenant hereunder.

18. Condemnation.

A. Total Taking. If at any time during the term of this Lease, title to the whole or substantially all of the Premises shall be taken in condemnation proceedings or by any right of eminent domain or by agreement in lieu of such proceedings, this Lease shall terminate and expire on the date possession is transferred to the condemning authority and the Net Rent reserved shall be apportioned and paid to the date of such taking. All compensation paid by the condemning authority in the case of any condemnation (total or partial) shall be the sole property of Tenant free and clear of any right, title, claim or interest of Landlord.

B. Partial Taking. In the event of any taking of less than the whole or substantially all of the Premises that permits the Premises to continue to be operated and maintained as the Second Market Rate Project as defined in the Development Agreement, neither the Net Rent nor the Rental Period of this Lease will be reduced or affected in any way, and the Lease will continue in full force and effect with respect to the balance of the Premises.

C. Rights of Participation. Tenant shall have the sole right, at its own expense, to appear in and defend any condemnation proceeding and participate in any and all hearings, trials, and appeals therein. Landlord shall, at the request of Tenant, execute a Disclaimer of Interest in the condemnation action evidencing the fact that Landlord has no interest in the proceeds of the condemnation.

D. Notice of Proceeding. In the event Landlord or Tenant shall receive notice of any proposed or pending condemnation proceedings affecting the Premises, the Party receiving such notice shall promptly notify the other Party of the receipt and contents thereof.

E. Relocation Benefits. Tenant shall also retain any federal, state or local relocation benefits or assistance provided in connection with any condemnation or prospective condemnation action.

19. **[Reserved]**

20. **Encumbrances and Assignments**.

A. At any time that Tenant is not in default of any term or condition of this Lease, Tenant is hereby given the absolute right without the Landlord's consent to create a lien on or security interest in Tenant's leasehold interest under this Lease (and in any subleases and the rents, income and profits therefrom) by mortgage, deed of trust, collateral assignment or otherwise. Any such security interest shall be referred to herein as a "Permitted Mortgage," and the holder of a Permitted Mortgage shall be referred to herein as a "Permitted Mortgagee." There may be only two (2) Permitted Mortgages in existence with respect to this Lease at any time.

(1) With respect to such leasehold financing, Landlord will agree to a form of commercially standard non-disturbance and recognition agreement with Tenant's Lender as well as other reasonable, non-material or administrative modifications to this Lease requested by a recognized Institutional Lender. In no event will Landlord subordinate its interest in the Premises to such leasehold financing.

(2) A Permitted Mortgage cannot secure obligations other than costs, obligations and expenses in connection with the Project or obligations of any person other than Tenant.

(3) A Permitted Mortgage shall cover no interest in the Land and Improvements other than Tenant's leasehold interest in the Premises (and in any subleases and the rents, income and profits therefrom) and any personal property, fixtures, or other assets of Tenant.

(4) Tenant or the holder of a Permitted Mortgage shall promptly deliver to Landlord in the manner herein provided for the giving of notice to Landlord, a true copy of the Permitted Mortgage(s), of any assignment thereof, and of the satisfaction thereof; and

(5) For the purpose of this Section 20, the making of a Permitted Mortgage shall not be deemed to constitute an assignment or transfer of this Lease, nor shall any holder of a Permitted Mortgage, as such, be deemed an assignee or transferee of this Lease or of the leasehold estate hereby created so as to require such holder of a Permitted Mortgage, as such, to assume the performance of any of the terms, covenants, or conditions on the part of Tenant to be performed hereunder; but the purchaser at any sale of this Lease in any proceedings for the foreclosure of any Permitted Mortgage, or the assignee or transferee of this Lease under any instrument of assignment or transfer in lieu of the foreclosure of any Permitted Mortgage, shall be deemed to be an assignee or transferee within the meaning of this Section and shall be deemed to have assumed the performance of all the terms, covenants, and conditions on the part of Tenant to be performed hereunder from and after the date of such purchase and assignment.

B. No assignment, subletting or other transfer of this Lease, or any rights granted by this Lease to Tenant (each, a "Transfer"), will be permitted without the prior written consent of Landlord, which will not be unreasonably withheld. Any Transfer will require the express assumption in writing by the transferee of all of Tenant's obligations under this Lease, including all obligations of indemnification of Landlord and the Landlord Indemnified Parties. Any assignment, subletting or transfer in violation of this Lease will be void, and not voidable, and shall confer no rights or the proposed assignee, subtenant or transferee. In addition, this Lease may not be assigned apart from the Development Agreement, and any assignee or transferee of Tenant must assume all of the obligations (including obligations of Indemnity) of the Developer in the Development Agreement. Notwithstanding the foregoing, nothing herein shall be deemed to limit or impact Tenant's right and ability to lease apartments within the Project to residential tenants in the ordinary course of its business.

C. A Transfer is not deemed to include the rental of individual apartment units within the Project to residential tenants. Landlord recognizes and agrees that Tenant may enter into subleases with subtenants for residential premises within the Project. All such subleases shall be on terms that are commercially reasonable, and no sublease shall have a term that extends beyond the Term of this Lease.

21. **Default By Tenant.**

A. Events of Default. The happening of any one of the following events (each, an "Event of Default") shall be considered a material breach and default by Tenant under this Lease:

(1) Monetary Default. If default shall be made in the due and punctual payment of any Net Rent or Additional Payments (a "Monetary Default") within twenty (20) days after written notice thereof to Tenant; or

(2) Non-Monetary Default. If default shall be made by Tenant in the performance of or compliance with any of the covenants, agreements, terms, limitations, or conditions of this Lease other than a Monetary Default, and such default shall continue for a period of thirty (30) days after written Notice thereof from Landlord to Tenant; provided, that if Tenant proceeds with due diligence during such thirty (30) day period to substantially cure such default and is unable by reason of the nature of the work involved, to cure the same within the required thirty (30) days, its time to do so shall be extended by the time reasonably necessary to cure the same, but in no event more than ninety (90) days; or

(3) Bankruptcy -- Voluntary. If Tenant shall file a voluntary petition in bankruptcy or take the benefit of any relevant legislation that may be in force for bankrupt or insolvent debtors or shall file any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for itself under any present or future federal, state, or other statute, law or regulation, or if Tenant shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Tenant or of all or any substantial part of its properties, or shall make any general assignment for the benefit of creditors; or

(4) Bankruptcy -- Involuntary. If a petition shall be filed against Tenant seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any present or future federal, state, or other statute, law or regulation, and shall remain undismitted or unstayed for ninety (90) days, or if any trustee, receiver or liquidator of Tenant, or of all or substantial part of its properties, shall be appointed without the consent or acquiescence of Tenant and such appointment shall remain unvacated and unstayed for ninety (90) days; or

(5) Insurance. The lapse, termination or cancellation of any policy of insurance required herein, in whole or in part for the benefit of Landlord, shall be an event of default absent being cured within twenty (20) days of such lapse. No cure of such default can be accomplished unless a new or renewed policy is issued which specifically provides the required coverage to the Landlord for any liability arising during the lapsed or previously uncovered period; or

(6) Development Agreement. Any Event of Default of Developer under the Development Agreement, subject to all grace periods, cure periods and periods of Force Majeure provided in the Development Agreement.

B. Tenant Liability Continues. No such expiration or termination of this Lease shall relieve Tenant of its obligations of indemnity under this Lease, and such obligations of indemnity shall survive any such expiration or termination of this Lease.

C. No Implied Waivers. No failure by Landlord to insist upon the strict performance of any covenant, agreement, term or condition hereof or to exercise any right or remedy consequent upon a breach hereof, and no acceptance of full or partial rent during the continuance of any such breach, shall constitute a waiver of any such breach or of such covenant, agreement, term or condition. No covenant, agreement, term or condition hereof to be performed or complied with by Landlord or Tenant, and no breach thereof, shall be waived, altered or modified, except by a written instrument executed by the Party to be charged therewith. No waiver of any breach shall affect or alter this Lease, but each and every covenant, agreement, term, limitation and condition hereof shall continue in full force and effect with respect to any other then existing or subsequent breach hereof.

D. Remedies Cumulative. In the event of any breach by Tenant of any of the covenants, agreements, terms or conditions hereof, Landlord, in addition to any and all other rights, shall be entitled to enjoin such breach and shall have the right to invoke any right and remedy allowed at law or in equity, by statute or by this Lease for such breach. In the event of Tenant's failure to pay Net Rent or Additional Payments on the date when due, Tenant shall pay Landlord interest on any such overdue payments and associated late charges at the Default Rate, but in no event an amount greater than permitted by law, but this shall in no way limit any claim for damages for Landlord for any breach or default by Tenant. Notwithstanding the foregoing or any provision of this Lease to the contrary, Landlord hereby waives any right to seek consequential, punitive, exemplary or special damages for a breach of this Lease; provided, however, that this waiver does not apply to Landlord's right or ability to recover such damages with respect to Tenant's obligations of indemnity required in this Lease.

E. Late Charge. In the event that any payment required to be made by Tenant to Landlord under the terms of this Lease is not received within sixty (60) days after the due date thereof, a late charge shall become immediately due and payable as an Additional Payment in an amount equal to two and one-half percent (2.5%) of the late payment.

F. Specific Performance. If a default is not cured within any applicable time period after service of Notice of the default, Landlord may, at its option, thereafter (but not before) commence an action for specific performance of the non-monetary terms of this Lease pertaining to such default.

G. Termination of Lease. If a default is not cured within any applicable time period after service of Notice of the default, Landlord, may, at its option and with no further act or Notice required, terminate this Lease and quitclaim the Land and all Improvements to Tenant; provided however that the termination of this Lease and the conveyance of the Land and Improvements to Tenant will not terminate or otherwise restrict Tenant’s obligations of indemnification of Landlord required in this Lease, including (but not limited to) Section 11(C), Section 16 and Section 33.

22. Default By Landlord. In the event of any breach by Landlord of any of the covenants, agreements, terms, or conditions hereof, Tenant, as its sole and exclusive remedy, may enjoin such breach through petition for specific performance, and Tenant will have no right to seek or recover (and hereby expressly waives such right to seek or recover) actual, special, consequential, exemplary, punitive, multiple or any other type of damages.

23. Unenforceable Terms. If any term or provision hereof or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision hereof shall be valid and be enforced to the fullest extent permitted by law.

24. Notices. Any notice, request, demand, statement, or consent herein required or permitted to be given by either Party to the other in this Lease (each, a “Notice”), shall be in writing signed by or on behalf of the Party giving the notice and addressed to the other at the address as set forth below:

25. **Condition of Premises.** Tenant represents that the Premises, the title to the Premises, parking, drive and walk areas adjoining the Premises, the environmental condition of the Premises and any subsurface conditions thereof, and the present uses and non-uses thereof, have been examined by Tenant and that Tenant accepts the same in the condition or state in which they or any of them may be on the date of the execution of this Lease, without representation or warranty, express or implied in fact or by law, by Landlord and without recourse to Landlord, as to the nature,

condition, or usability thereof or the use or uses to which the Premises or any part thereof may be put.

26. **Quiet Enjoyment.** Subject to all of the conditions, terms, and provisions contained in this Lease, Landlord covenants that Tenant, upon paying the Net Rent, and Additional Payments and observing and keeping all terms, covenants, agreements, limitations, and conditions hereof on its part to be kept, shall quietly have and enjoy the Premises during the term hereof, without hindrance or molestation by Landlord.

A. This Lease is in full force and effect along with the amount and current status of the Net Rent due hereunder;

B. This Lease has been modified or amended in any respect or describing such modifications or amendments, if any; and

C. There are any existing defaults under this Lease, to the knowledge of the Party executing the certificate, and specifying the nature of such defaults, if any.

Such certificate shall be returned to the requesting Party not later than twenty (20) days following receipt of the request, and in no event shall the certificate require that Landlord subordinate its interest in the Premises to any Party.

28. **Consents.**

A. **Parties and Notice.** Whenever the consent or approval of a Party to this Lease is required or reasonably requested under this Lease, if the Party whose consent or approval is required fails to notify the other Party in writing within thirty (30) days (except where a different period is otherwise specified herein for the giving of such consent or approval) after the giving of a written request therefor in the manner specified herein for the giving of notice, it shall be concluded that such consent or approval has been given. Except as otherwise provided in Applicable Laws, Landlord's City Manager may execute and deliver any consent required by this Lease.

B. **No Unreasonable Withholding.** Wherever in this Lease the consent or approval of either Party is required, such consent or approval shall not be unreasonably withheld, conditioned or delayed, except and unless where otherwise specifically provided. The remedy of the Party requesting such consent or approval, in the event such Party should claim or establish that the other Party has unreasonably withheld or delayed such consent or approval, shall be limited to injunction or declaratory judgment and in no event shall such other Party be liable for a money judgment.

29. **Limitation of Landlord's Liability.** Landlord shall not be responsible or liable for any damage or injury to any property, fixtures, merchandise, or decorations or to any person or persons at any time on the Premises from steam, gas, electricity, water, rain, or any other source whether the

same may leak into, issue or flow from any part of the Improvements or from pipes or plumbing work of the same, or from any other place or quarter; nor shall Landlord be in any way responsible or liable in case of any accident or injury including death to any of Tenant's employees, agents, subtenants, or to any person or persons in or about the Premises or the streets, sidewalks or vaults adjacent thereto; and Tenant agrees that it will not hold Landlord in any way responsible or liable therefor and will indemnify the Landlord Indemnified Parties pursuant to Section 16. Landlord shall not be liable for interference with light or incorporeal hereditaments caused by anybody or the operation of or for any governmental authority in the construction of any public or quasi-public work, and Landlord shall not be liable for any latent or any other defects in the Premises.

30. **Miscellaneous.**

A. **Landlord's Right of Cancellation.** All Parties hereto acknowledge that this agreement is subject to cancellation by the City of Mesa for a conflict of interest pursuant to the provisions of A.R.S. § 38-511.

B. **Choice of Law.** This Lease shall be construed and enforced in accordance with the substantive laws of the State of Arizona, without regard to principles of conflicts of laws.

C. **Memorandum.** Landlord and Tenant agree that at the request of either, each will execute a short form memorandum of this Lease in a form satisfactory for recording in the Office of the County Recorder, Maricopa County, Arizona.

D. **Entire Agreement.** This Lease with its schedules and annexes contains the entire agreement between Landlord and Tenant and any executory agreement hereafter made between Landlord and Tenant shall be ineffective to change, modify, waive, release, discharge, terminate, or effect an abandonment of this Lease, in whole or in part, unless such executory agreement is in writing and signed by the Party against whom enforcement of the change, modification, waiver, release, discharge, termination, or the effect of the abandonment is sought.

E. **Corrections and Minor Amendments.** The City Manager is authorized to execute and deliver on behalf of the Landlord, without the further consent and approval of the City Council, amendments to this Lease that correct typographical or similar errors, revise or update legal descriptions or other exhibits, do not materially revise any business or policy provision of this Lease, or that otherwise are ministerial in nature.

“(a) The government lessor notifies the governing bodies of the county and any city, town and school district in which the government property improvement is located at least sixty days before the approval. The notice must include the name and address of the prime lessee, the location

and proposed use of the government property improvement and the remaining term of the lease or development agreement.

“(b) The government lessor determines that, within the remaining term of the lease or development agreement, the economic and fiscal benefit to this state and the county, city or town in which the government property improvement is located will exceed the benefits received by the prime lessee as a result of the change in the lease or development agreement on the basis of an estimate of those benefits prepared by an independent third party in a manner and method acceptable to the governing body of the government lessor. The estimate must be provided to the government lessor and the governing bodies of the county and any city, town and school district in which the government property improvement is located at least thirty days before the vote of the governing body. A change in use under a lease or development agreement between a prime lessee and a government lessor to residential rental housing is exempt from the economic estimate analysis requirements of this subdivision.”

If such a notice of designation has theretofore been given, then, until it is revoked by notice given by all of them, the act of, or notice, demand, request or other communication from or to, or payment or refund from or to, or signature of, the agent or agents so designated with respect to such party's estate or interest in the Premises or this Lease shall bind all of the individuals, partnerships, firms, corporations, or other entities then constituting such party as if all of them so had acted, or so had given or received such notice, demand, request, or other communication, or so had given or received such payment or refund, or so had signed.

(a) Any substance identified or listed as a hazardous substance, pollutant, hazardous material, or petroleum in the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801 et seq., and in the regulations promulgated thereto; and Underground Storage Tanks, U.S.C. §§ 6991 to 6991i.

(b) Any substance identified or listed as a hazardous substance, pollutant, toxic pollutant, petroleum, or as a special or solid waste in the Arizona Environmental Quality Act, A.R.S. §§ 49-201 et seq.; including, but not limited to, the Water Quality Assurance Revolving Fund Act, A.R.S. §§ 49-281 et seq.; the Solid Waste Management Act, A.R.S. §§ 49-701 et seq.; the Underground Storage Tank Regulation Act, A.R.S. §§ 49-1001 et seq.; and Management of Special Waste, A.R.S. §§ 49-851 to 49-868.

(c) All substances, materials and wastes that are, or that become, regulated under, or that are classified as hazardous or toxic under any Environmental Law during the term of this Agreement.

(3) "Release" means any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping.

B. Compliance. Tenant shall, at Tenant's own expense, comply with all present and hereinafter enacted Environmental Laws, and any amendments thereto, affecting Tenant's operation on the Premises. Tenant shall not cause or permit any Regulated Substance to be used, generated, manufactured, produced, stored, brought upon, or released on, or under the Premises, or transported to or from the Premises, by Tenant, its agents, employees, contractors, invitees or a third party in a manner that would constitute or result in a violation of any Environmental Law or that would give rise to liability under an Environmental Law.

C. Indemnification.

(1) Tenant shall indemnify, defend, pay and hold harmless, on demand, Landlord, its successors and assigns, its elected and appointed officials, employees, agents, boards, commissions, representatives, and attorneys, for, from and against any and all liabilities, obligations, damages, charges and expenses, penalties, suits, fines, claims, legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, breach of warranty or representation, or damage to persons, property, the environment or the Premises and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of, or adverse effects on, human health, property or the environment pursuant to any Environmental Law, the common law, or other statute, ordinance, rule, regulation, judgment or order of any governmental agency or judicial entity, which are incurred or assessed as a result, whether in part or in whole, of any use of the Premises during the term of this Lease or any previous lease or uses of the Premises by Tenant or its owners or affiliated entities, agents, employees, invitees, contractors, visitors or licensees. Regardless of the date of termination of this Lease, Tenant's obligations and liabilities under this Section 33 shall continue so long as the

Landlord bears any liability or responsibility under the Environmental Laws for any use of the Premises during the term of this Lease. This indemnification of Landlord by Tenant includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial actions, removal or restoration work required or conducted by any federal, state or local governmental agency or political subdivision because of Regulated Substances located on the Premises or present in the soil or ground water on, or under the Premises. The Parties agree that Landlord's right to enforce this covenant to indemnify is not an adequate remedy at law for Tenant's violation of any provision of this Section and that Landlord shall also have the rights set forth in this Section in addition to all other rights and remedies provided by law or otherwise provided for in this Lease.

(2) Without limiting the foregoing, if the presence of any Regulated Substance on, or under the Premises results in any contamination of the demised Premises or any adjacent real property during the term of this Lease, Tenant shall promptly take all actions at its sole cost and expense as are necessary to mitigate any immediate threat to human health or the environment. Tenant shall then undertake any further action necessary to return the Premises or other property to the condition existing prior to the introduction of any Regulated Substance to the Premises; provided that Landlord's written approval of such actions shall first be obtained. Tenant shall undertake such actions without regard to the potential legal liability of any other person, however, any remedial activities by Tenant shall not be construed as to impair Tenant's rights, if any, to seek contribution or indemnity from another person.

(3) Tenant shall, at Tenant's own cost and expense, make all tests, reports, studies and provide all information to any appropriate governmental agency as may be required pursuant to the Environmental Laws pertaining to Tenant's use of the Premises. This obligation includes but is not limited to any requirements for a site characterization, site assessment and/or a cleanup plan that may be necessary due to any actual or potential spills or discharges of Regulated Substances on, or under the Premises, during the term of this Lease. At no cost or expense to Landlord, Tenant shall promptly provide all information requested by Landlord pertaining to the applicability of the Environmental Laws to the Premises, to respond to any governmental investigation, or to respond to any claim of liability by third parties which is related to environmental contamination.

In addition, Landlord shall have the right to access, within ten (10) days of Tenant's receipt of written request, and copy any and all records, test results, studies and/or other documentation, other than trade secrets, regarding environmental conditions relating to the use, storage, or treatment of Regulated Substances by the Tenant on, or under the Premises.

(4) Tenant shall immediately notify Landlord of any of the following: (a) any correspondence or communication from any governmental agency regarding the application of Environmental Laws to the Premises or Tenant's use of the Premises, (b) any change in Tenant's use of the Premises that will change or has the potential to change Tenant's or Landlord's obligations or liabilities under Environmental Laws, and (c) any assertion of a claim or other occurrence for which Tenant may incur an obligation under this Section 33.

(5) Tenant shall insert the provisions of this Section 33 in any sublease agreement or contract by which it grants a right or privilege to any person, firm or corporation under this Lease.

(6) Tenant shall, at its own expense, obtain and comply with any permits or approvals that are required or may become required as a result of any use of the Premises by the Tenant, its agents, employees, contractors, invitees and assigns.

(7) Tenant shall obtain and maintain compliance with any applicable financial responsibility requirements of federal and/or state law regarding the ownership or operation of any underground storage tank(s) or any device used for the treatment or storage of a Regulated Substance and present evidence thereof to Landlord, as may be applicable.

D. Noncompliance.

(1) Tenant's failure or the failure of its agents, employees, contractors, invitees or of a third party to comply with any of the requirements and obligations of this Section 34 or applicable Environmental Law shall constitute a material default of this Lease. Notwithstanding any other provision in this Lease to the contrary, Landlord shall have the right of "self-help" or similar remedy in order to minimize any damages, expenses, penalties and related fees or costs, arising from or related to a violation of Environmental Law on, or under the Premises, without waiving any of its rights under this Lease. The exercise by Landlord of any of its rights under this Section 34 shall not release Tenant from any obligation it would otherwise have hereunder.

(2) The covenants in this Section 33 shall survive the expiration or earlier termination of this Lease.

34. **Purchase and Re-acquisition of Premises.** The Parties acknowledge the requirement of A.R.S. §42-6209(G) that the Term of this Lease cannot extend beyond eight (8) years from the issuance of a certificate of occupancy for the Project, and further acknowledge that Tenant can terminate this Lease at any time prior to the end of the Term. In recognition of this limitation and termination right, Tenant agrees to re-acquire its fee interest in the Premises at the end of the Term or earlier termination of this Lease. Landlord and Tenant hereby establish Tenant's obligation and right to purchase the Premises according to the terms and conditions hereinafter set forth.

A. Requirement of Exercise. Notwithstanding anything in this Lease to the contrary, Tenant is obligated to purchase the Premises at the expiration of the Term and has the right to repurchase the Premises in the event of an earlier termination of this Lease. In the event that Tenant fails to complete the purchase of the Premises within six (6) months following the expiration of the Term (or earlier termination of this Lease), Landlord will quitclaim its interest in the Premises to Tenant, but will retain all rights of indemnification granted in this Lease, including (but not limited to) Section 16 and Section 33.

B. Exercise of Obligation. Tenant's obligation to purchase the Premises is effective, and Tenant has the right to purchase the Premises, at any time after the execution of this Lease; provided that Tenant's right to purchase is conditioned upon Tenant curing any monetary default then existing

under this Lease; and further provided that Landlord may waive this requirement in Landlord's sole discretion. Tenant may purchase the Premises at any time during the Rental Period by delivering Notice of its intent to purchase the Premises to Landlord (the "Reacquisition Notice"); and the purchase of the Premises by Tenant must be completed no later than the earlier of (i) six (6) months following the delivery of the Reacquisition Notice to Landlord, or (ii) six (6) months after the expiration of the Term (or earlier termination of this Lease).

C. Purchase Price. The Purchase Price for the Premises ("Purchase Price") is Five Thousand and no/100 Dollars (\$5,000.00). The Purchase Price reflects that fact that Tenant initially owned the Land and constructed all of the Improvements at Tenant's sole cost and expense and is intended to cover Landlord's administrative, legal and related expenses in connection with the transfer of the Premises to Tenant.

D. Conveyance of Title and Delivery of Possession. Landlord and Tenant agree to perform all acts necessary to complete the conveyance of the Premises to Tenant on the last day of the Rental Period or within ninety (90) days of Tenant's notice of its termination of the Lease, whichever first occurs. Landlord's entire interest in the Premises shall be conveyed by Special Warranty Deed in the form of Exhibit D. The condition of title of the Premises will be as reflected in a commitment to issue title insurance (or similar report) obtained by Tenant at its sole cost and expense. Landlord has no responsibility to eliminate, cure or "endorse over" any exceptions to title or other matters shown in such commitment except for matters directly attributable to the acts of Landlord. Landlord's then acting City Manager (or such City Manager's designee) is authorized to execute and deliver the Deed on behalf of Landlord. All expenses in connection with conveyance of the Premises to Tenant including, but not limited to, title insurance (if requested by Tenant), recordation and notary fees and all other closing costs (including escrow fees if use of an escrow is requested by Tenant), shall be paid by Tenant. Although Tenant will have been in actual possession of the Premises throughout the Term, (i) legal possession of the Premises will be deemed to have been delivered to Tenant concurrently with the conveyance of title pursuant to the Deed, and (ii) Landlord will retain all rights of indemnification granted in this Lease, including (but not limited to) Section 16 and Section 33. The terms of this Section 34 will survive the termination of this Lease and the recordation of any deed from Landlord to Tenant.

Signatures of Landlord and Tenant are on the following two (2) pages.

35. **Signatures.** The Parties have executed this Lease to be effective as of the Effective Date.
